TR010065 – A46 Newark Bypass Project

Deadline 7: Comments on any submissions received at the previous deadline

Interested Party Number: 20049645

Revised Book of Reference (REP6-008 4.3 Book of Reference (Clean))

The Trust has a right of access on the east side of the river, along the east side of Work No. 62, part labelled plot 4/8b within the submitted land plans. This is used by the Trust to access Nether Lock.

The Canal & River Trust wishes to highlight that REP6-008 4.3 Book of Reference (Clean) – Rev 6 does not appear to include the Trust's access rights to Nether Lock (along the east side of Work No 62, over plot 4/8b). The Trust's surveyor has raised this with the valuation office and the expectation is that this will be addressed shortly by the promoter and ahead of DL8.

Yours sincerely,
