Dear Planning Inspectorate Case Team

Applicant's submission Deadline 7 – A46 Newark Bypass (TR010065)

This submission is made by National Highways (the “Applicant”) in accordance with the examination timetable set out in the Rule 8 letter [PD-006] published by the Examining Authority (ExA) on 15 October 2024.

- Comments on any submissions made at previous deadline
- Applicant's responses to ExQ3
- Updated application documents tracker
- Updated Land Rights Tracker

In addition to these updates the Applicant has submitted to the ExA:

- Updated dDCO
- Updated Schedule of Changes to the dDCO
- Updated Explanatory Memorandum
- Updated SoCG and Statement of Commonality

The Applicants Letter submitted at Deadline 6 on the 25 February 2025 confirmed that the Applicant would update the Environmental Statement (ES) to reflect:

- Updates made to the Land Plans and Book of reference at Deadline 6
- Errata

- Updates to NPSNN 2024 references (Requested at OFH1)

This ensures the Examining Authority has an up-to-date package of ES documents prior to close of the Examination

The Applicant can also confirm that the final updated Book of Reference which will be submitted at Deadline 8 will include Network Rail's request for a minor change to make it clear the applicant is acquiring a right to airspace rather compulsory acquisition of airspace

Should you require additional information please do not hesitate in contacting me.

Yours sincerely,

Project Director
