Dear Sir / Madam

A46 COVENTRY JUNCTIONS (WALSGRAVE) SCHEME - SUBMISSION OF SCOPING REPORT AND REQUEST FOR A SCOPING OPINION

The Applicant, National Highways, formally request an Environmental Impact Assessment (EIA) Scoping Opinion from the Planning Inspectorate, on behalf of the Secretary of State (the SoS) for Transport for the proposed A46 Coventry Junctions (Walsgrave) Scheme. An Environmental Scoping Report is therefore submitted to the Planning Inspectorate (the Inspectorate) under Regulation 10 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 (the EIA Regulations).

Regulation 10(1) allows a person who proposes to make an application for an order granting development consent (the Applicant) to ask the Inspectorate, on behalf of the SoS, to state its written opinion (the Scoping Opinion) as to the scope and level of detail of the information to be provided in the Environmental Statement (the ES).

The Applicant contact details are provided in the address field of this letter.

The project contact is Alison Cheetham of Carter Jonas, on behalf of the Applicant.

Yours faithfully

Alison Cheetham MRTPI, PIEMA Associate Infrastructure Planner (on behalf of National Highways)
