AS.1.1

ES Ch.3 [APP-025] – Assessment of Alternatives Do you agree with the assessments of alternatives set out in this chapter and the option selected for this application? If not set out any areas of disagreement.

We have not raised an objection to the assessment of alternatives and option selection and note the rejection of more damaging options in respect of the grade II registered park and garden.*

DCO.1.6

A23, Protective work to buildings Are the measures stipulated in this article acceptable?

We note the safeguards under A23 (9) and have no objection on that basis.

Yours sincerely
