Dear Secretary of State,

Historic England Advice

Thank you for your consideration on regarding the landscaping proposals associated with the Development Consent Order (DCO) for the A46 Coventry Junctions (Walsgrave) project.

We confirm that we would welcome further consultation, post-DCO, on the detailed design of landscaping (insofar as it relates to Coombe Abbey grade II* registered park and garden) secured by a requirement. We consider that such a requirement is necessary to ensure a proportionate and successful delivery in the response to the measures outlined in REAC LV1.

Kind regards
