Dear Ms. Dowling,

Application by London Luton Airport Limited for an Order Granting Development Consent for the London Luton Airport Expansion – Rule 8 Letter: Deadline 11 Submission

I write in respect of the above-mentioned Development Consent Order.

Please find attached the following documents:

- Comments on any further information / submissions received by Deadline 10; and,
- Response to the Applicant's Response to Deadline 9 submissions (REP10-045).

Turning to other matters:

Statement of Common Ground (SoCG)

The Council would draw the ExA's attention to the fact that the Council has agreed and signed a final SoCG which the Applicant has advised will be submitted before the close of Examination.

S.106 agreement

The Council has raised issues regarding the drafting of the S.106 within its Deadline 10 submissions, as well as the final SoCG. No further opportunity has been provided to the Council to review the final draft and as such it cannot confirm whether the issues raised have been addressed.

Final Position

The Council can confirm that its final PADSS (**REP8-048**) and the SoCG submitted by the Applicant represent its final position with regard to matters of concern and disagreement.

I trust that this submission for Deadline 11 clearly sets out the position of Buckinghamshire Council in respect of this Development Consent Order for the expansion of London Luton Airport

Yours sincerely,

Steve Bambrick
