You don't often get email from info@harpendingia.com. [Learn why this is important](#)

Good Afternoon Sian.

As the Case Manager for this development I think you should be made aware of the huge development on the Stockwood Park estate which is directly adjacent to Junction 10.

The link below shows the details and work has already started.

The volume of traffic, both car and HGV's will be considerable in the whole area causing even more surface traffic issues than originally reviewed in the documents to the case -now closed.

Given this important situation I think the Inspectorate should allow this to be viewed as evidence.

The project is funded by Morgan Stanley so no shortage of finance.

I look forward to hearing from you.
