Dear Inspector

We are writing to still object to the expansion of Luton Airport.

At Tring Station, we are already used as a marker for aircraft to approach Luton Airport. Expanding the airport would impact on us in the AONB and potentially a new national landscape. The Ashridge area of ancient beech wood s needs to be protected. The whole area, with proposed developments is becoming a suburb of London that will stretch in a continuous line to Aylesbury. The stress on the current infrastructure is untenable and any extra noise would take the area to breaking point. Please do not allow this expansion.

Yours Moira and David Lea
