Dear RT Hon Yvette Cooper MP,

I am writing to plead with you not to give the go ahead for the expansion of the Luton Airport.

I have lived in Luton, approximately 2 miles from the airport, for around [REDACTED] and the noise levels have grown worse every year. Planes are now bigger, noisier and there is almost constant rumbling of engines with planes taking off and landing what feels like continuously.

I sometimes lie in bed unable to sleep with what sounds like a rolling and unending thunderstorm despite having double glazing and closed windows. Only a short period in the night is quiet. On occasion I have been driven indoors from my garden with the roar of aircraft engines.

Please have compassion for me and the residents of Luton and its surrounding areas. Please don't let this get any worse for us.

I am a home owner and moving is not an option having spent a lot of time and money on improving and insulating our home. Creating the home we love.

Yours faithfully,

Lamorna Oakey.
