Dear Sir/Madam

**Planning Act 2008 – sections 116 and 117; and The Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 – Regulation 31**

**Application by London Luton Airport Limited for an order granting development consent for the proposed London Luton Airport Expansion Project**

**Notice of the decision by the Secretary of State**

I write to notify you of the publication of the Secretary of State's decision and statement of reasons and the Order granting development consent in relation to the above application.

The Secretary of State as the decision maker under s105 of the Planning Act 2008 (PA2008) has decided that development consent should be granted and therefore has made an Order under s114(1)(a) of PA2008.

Electronic copies of the decision documentation, including the Secretary of State's decision letter and the text of the made Order can be viewed at:

<https://national-infrastructure-consenting.planninginspectorate.gov.uk/projects/TR020001>

The Recommendation Report submitted to the Secretary of State by the Examining Authority is also available at the same link.

Hard copies of the decision documentation will also be available to inspect at the Planning Inspectorate's offices (by appointment using the contact details above). If you wish to receive a copy of the Secretary of State's decision letter and the text of the Order, please write to, or email us using the contact details provided at the top of this letter. No charge will be made if you wish us to send you a copy.

There is no right of appeal under the PA2008. The High Court may entertain proceedings to question an Order granting development consent from the day on which the Development Consent Order is published or, if later, the day on which the decision letter is
