Dear Sir/Madam,

Application by London Luton Airport Limited (“the Applicant”) Seeking Development Consent for the Proposed London Luton Airport Expansion (“the Proposed Development”).

Side Agreement between the Applicant and Hertfordshire County Council - Traffic Monitoring in Rural Locations

On behalf of the Hertfordshire Host Authorities I can confirm that following a productive dialogue with the Applicant the issues/areas of disagreement relating to traffic monitoring in rural locations [as identified within the Hertfordshire Host Authorities’ Principal Areas of Disagreement Summary Statement (REP8-056) - for example, within sections ‘Covid-19 and baseline traffic’, ‘Traffic impacts in Hertfordshire’, ‘Mitigation in rural areas’ and ‘Outline Transport Related Impacts Monitoring and Mitigation Approach (TRIMMA)’] have now been resolved by way of completion of a Side Agreement (as referenced at paragraph 6 of Department for Transport Consultation letter dated 27 September 2024) between the Applicant and Hertfordshire County Council.

Yours sincerely,
