[You don't often get email from [REDACTED]. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

I contacted you in January 2023 with reference to the noise of the aircraft at night especially as the noise is continually waking me up. The disturbance of my sleep pattern leaves me tearful and [REDACTED]. Then you have the noise during the day. When I moved here the flight path was wider. This was my last move so took all my savings plus the monies from the sale of my house. I stay with my daughter one week out of seven to re-establish my sleep pattern and mental calm. I have been told that when the new runway is built it will be considerably worse. Every time I have a buyer the aircraft noise puts them off.

It was agreed that if and when I sell my home you will pay the 10% loss which goes to the site owners plus removals, estate agents fees, surveyors fees, solicitors fees. All costs that would be incurred due to having to move. I would like confirmation that this offer is still valid.

I pray that it is as I have nothing left as stated previously. Please help.

Diana Helsey.
