**LONDON LUTON AIRPORT EXPANSION DEVELOPMENT CONSENT ORDER 2025
THE INFRASTRUCTURE PLANNING (ENVIRONMENTAL IMPACT ASSESSMENT)
REGULATIONS 2017**

**NOTICE OF A DECISION ON AN APPLICATION FOR AN ORDER GRANTING
DEVELOPMENT CONSENT FOR EIA DEVELOPMENT**

The Secretary of State for Transport (“the Secretary of State”) gives notice under regulation 31(2) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 that a determination has been made on the application made by London Luton Airport Limited for development consent (“the Application”) under the Planning Act 2008 (“the 2008 Act”) for Environmental Impact Assessment development.

The development consent order (“the Order”) would authorise an increase to the overall passenger capacity from 18 to 32 million passengers per annum, the construction of a new passenger terminal, additional aircraft stands and associated development. In addition, the Order would also contain compulsory acquisition powers in relation to land and rights that would be required for the purposes of the development.

The Secretary of State has determined, following consideration of the report of the Examining Authority which conducted an examination into the application, that development consent should be granted and has decided, therefore, to make an Order under section 114, 115 and 120 of the 2008 Act.

The statement of reasons for deciding to make the Order, which has been prepared by the Secretary of State under section 116 of the 2008 Act and regulation 31(2) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017, containing the content of the decision, the requirements imposed in connection with the development, the main reasons and considerations on which the decision is based including relevant information about the participation of the public, a description of the main features to avoid, reduce and offset any major adverse effects of the development and information regarding the right to challenge the decision and the procedures for doing so, is published on the Planning Inspectorate's website at:
