Re: Manston Airport, Manston, Kent

Neighbouring Borough Consultation for: Application to make two non-material changes to the DCO (the Application) in accordance with the Infrastructure Planning (Changes to, and Revocation of, Development Consent Orders) Regulations 2011, as amended (2011 Regulations). The Application comprises two non-material changes to the DCO as follows:

- **To amend Schedule 2, Part 1, Paragraph 2 (Time Limits) to amend the time limit to commence the authorised development from the expiration of 'five' years beginning with the date that the DCO came into force to 'seven' years beginning with the date that the DCO came into force.**
- **To amend Schedule 2, Part 1, Paragraph 24 (High Resolution Direction Finder) to amend the requirement so that as an alternative to the Applicant having to agree a detailed mitigation scheme for the provision of an alternate High Resolution Direction Finder with the Ministry of Defence, the Ministry of Defence is able to confirm that an alternate High Resolution Direction Finder is not required.**

I write to you following receipt of your letter dated 28/05/2026 which invites the London Borough of Bexley to comment on the above application.

Having reviewed the documentation submitted the Council has no comment to make on this proposal.

Yours faithfully

Acting Director of Place, Strategic Planning and Housing
