To the Secretary of state, Governments
National Infrastructure Planning.

I oppose the River Oak planning
they should not be given more
time!! And to redevelop Manston
Airport in Kent I oppose it!!

I oppose fuel pollution!!

And I oppose noise pollution!!

My home 95 Windermere Ave is
under the Ramsgate Manston flight
runway, the planes fly very low
over my home, and over Ramsgate
too as you can see in enclosed
photo.

The River Oak planning will never
work!! Yours sincerely,

THE CARGO PLANES ARE COMING TO RAMSGATE FIGHT THIS THREAT TO OUR HEALTH, HOMES & BUSINESSES
