Ramsgate and Hernebay SMAa member numbers from Half-Postcodes.

2019-02-11

A direct count of SMAa members on Facebook gives 3,560 names.

920 people have asked to receive emails from SMAa – some will be the same people, and some different.

Of these, 603 have given a half-postcode (not all UK), which is 17 %

Of these 479 (80%) are CT (East Kent), 4% are CT6 (HerneBay), and 24% are CT11 or CT12 (Ramsgate).

So if we assume these ratios apply to our 3,560 Facebook membership (and do NOT add the email total to the Facebook total), we deduce it is likely that around 140 SMAa Facebook members live in HerneBay, and 850 in Ramsgate.
