I support the opening of manston airport because it is vital for the future of Thanet and the surrounding areas to fulfill its potential.

It would create many thousands of jobs just not on site but with many businesses in the area from hotels, restaurants, taxis, cleaning services etc.

It would inject much wealth into Thanet which could only be a good thing.

There are more people living here that want the airport to succeed than don't. They are just blinkered.

I cannot understand why Ransgate Town Council will not support this. The airport would be the jewel in the crown.

Please give this Your permission because we are crying out for some help.
