MANSTON Airport

(Connectivity)

PRIVATE OFFICE

I am, Grant Minister for Transport
Having lived in Ramsgate all my life
and remembering Manston that was
a American Air base 1950 - Then R.A.F
Then as a regional Airport -

Jobs are much needed here in Thanet
We could have a airport of excellence
here at Manston Airport.

Some Cargo & passenger, we are but
an Island, we could have it all here
Ramsgate Port - Re ferries and Airport
up and running =

over many years we have lots of residents
that have moved to Thanet - Ramsgate
from London etc in the 50's - 60's

They enjoyed what Ramsgate & Thanet
had to offer now they arrive here
with there own agencies for our Isle
No planes - No ferries, No making
Royal Harbour Re Bretts. —

Bois Johnson when he got elected
mentioned Connectivity well here it is

P.T.O

I stood in on town of Ramsgate
assisting (Craig McKinley) to get
re-elected our (M.P.) for Thanet South
Since I have rejoined the Conservative
Party since Nov 2019 -
got myself re-elected at K.C.C. Margate
member of Ramsgate - and for the very
first time a T.D.C. Conservative
Councillor for Newington Centre
Ward -

I have been a long time Campaigner
for all things Ramsgate - Thanet
and Manston Airport since before
2014 - We have a few die-hards that
don't want anything here - Thanet
the Labour at T.D.C. & Labour
Councillors at R.T.C. a disgrace to
these positions they hold -

I remember you said you couldn't wait
to fly from Manston (Grant)
I fully support the re-opening of our
local Airport

Yours faithfully

Past Mayor of Ramsgate
for 4 years
2013 - 2018

Now a Councillor for Newington Centre
& Conservative K.C.C. member for
Ramsgate
