Dear Sirs, my wife and I are local residents on the [REDACTED]. We are right in line of the flight path of Manston.

Nethercourt Housing is 1.37 KM FROM THE RUNWAY END !!!!! NOT AS RSP ARE CLAIMING TRYING TO GAIN FAVOUR BY ADVISING THE RUNWAY IS 4KM AWAY FROM RAMSGATE.

We are deeply concerned of the noise that will ruin our peace and lifestyle.

The vibrations and pollution are also a deep concern.

Also with all the expected Air Traffic a danger exists on take off and landing to us all on the flight path, so we are requesting you listen very carefully to the experts opinions on this grave matter, the DCO AND THE OVE ARUP REPORT must be considered and acted upon !!!

Yours Faithfully,

Mr Andrew Crook & Mrs Brenda Crook
