We are writing to express our feelings on this huge debacle of Manston. It has been shown to be a negative plan so many times why can't this decision just be accepted once and for all. The amount of money spent on all these attempts to get it reinstated is a complete waste of money. With everything happening to the climate surely we do not need another airport.

I would also point out that Nethercourt Estate is only 1.37km from the runway end and RSP are quoting 4km to Ramsgate.

SAVING THE CLIMATE FOR FUTURE GENERATIONS IS FAR MORE  
IMPORTANT
