Subject: For the attention of the Manston Airport Case Team - Save Manston Airport, Margate
Date: 14 October 2021 08:39:10

Dear Sirs

As you are aware, Margate and Thanet borough has a high level of unemployment. This unemployment rate has not been helped by rich boroughs across the country moving people who are waiting for council homes into the Thanet area in order to save money and their housing crisis. This has resulted in a poor living standard of the people in Thanet and Margate area. I am against allowing the Manston airport site for housing development as this would not help to create stable jobs for people and bring prosperity into the area. Therefore, I would like you to approve Manston airport to run as a fully functioning airport.

Kind regards

Amit Karki
