Good morning,

Thank you for providing the Ministry of Defence (MOD) opportunity to respond to representations made by other parties in response to the proposed changes to the Development Consent Order (DCO) made for Manston Airport.

The MOD responded to the original consultation on changes to the DCO with a letter dated 25 August 2026. Having reviewed the representations submitted, the MOD is content that the letter dated 25 August 2026 continues to set out the MOD position.

Many thanks,
