DEAR SIR/MADAM

RE GATWICK AIRPORT FUTURE PLANS

AIR NOISE AND INSULATION SCHEME.

I LIVE AT [REDACTED] [REDACTED] [REDACTED] [REDACTED] AT GATWICK AIRPORT.

I WILL BE PLACED IN THE INNER NOISE CONTOUR AND ELIGIBLE FOR THE HOME INSULATION SCHEME. THIS WILL NOT PREVENT NOISE IN MY GARDEN OR REDUCE IT FURTHER IN MY HOUSE. I HAVE DOUBLE AND TRIPLE GLAZING AND STILL HEAR THE PLANES IN THE HOUSE.

THE SOUND MONITOR FOR RECORDING NOISE IS $\frac{1}{4}$ OF THE WAY DOWN POLES LANE. THE SAME POST CODE AS MYSELF. [REDACTED] IS AT THE END OF POLES LANE MUCH CLOSER TO THE AIRPORT. I QUESTION THE VALIDITY OF THE SOUND READING FOR MY PROPERTY.

GATWICK AIRPORT SHOULD OFFER RELOCATION SCHEMES FOR PEOPLE WHO LIVE OPPOSITE TO THE SOUTH SIDE OF THE AIRPORT WHO ARE PLACED IN THE INNER NOISE CONTOUR. THESE PROPERTIES ARE BLIGHTED NOW BY THE FUTURE PLANS AND BEING PLACED IN THE INNER NOISE ZONE COMPOUNDS THE FACT. THE PROPERTY SUPPORT BOND IS OF NO USE AS A SURETY FOR FUTURE PURCHASERS SINCE THE AIRPORT WILL NOT NEED THE LAND IF THE DEVELOPMENT TAKES PLACE.

WHEN I SPOKE TO THE TEAM AT GATWICK AIRPORT 2 YEARS AGO I PUT MY POSITION TO THEM, THEY ADVISED ME TO ENGAGE LEGAL ASSISTANCE AND PROVE BLIGHT,

I DO NOT HAVE THE FUNDS TO DO THIS.
I AM IN MY [REDACTED]

I AM NOT SURE IF MY COMMENTS ARE OF USE TO YOU AT THIS TIME AND THANK YOU FOR READING MY CONCERNS.

Yours faithfully
