Dear Secretary of State,

Re Mr Glyn Secker, [REDACTED]

I have been contacted recently by my constituent, Mr Glyn Secker, regarding the proposed expansion of Gatwick Airport.

My constituent tells me:

I am extremely alarmed at the proposed expansion at Gatwick airport. Not only will it add grossly to pollution of the atmosphere and add to global warming, but with tens of thousands of additional flights it will greatly add to noise pollution in our south London borough, which will impact particularly during the summer months.

It is extraordinary that this expansion appears to be progressing with no consultation process whatsoever.

I would be very grateful if you could respond to my constituent's concerns.

I look forward to hearing from you.

Yours sincerely,
