Hello,

With reference to the case below, as a resident of Haywards Heath - which is about 20 minutes drive away - I feel strongly that the noise claims need to be looked into further. Flights are extremely loud and frequent and will only get far worse with an additional runway. I sense that Gatwick are trying out new flight paths as we didn't used to have this many flights overhead (we have lived here 14 years).

Please do not give approval for this expansion on the strong noise and environmental ground.

Kind regards
Rebecca Laura
