*The applicant (Gatwick Airport) is making a mockery of the planning process, by introducing a third scheme outside of the examination time frame. The Godstone Village Association, as representative for the inhabitants of Godstone Village, urge the Secretary of State to demand that noise and surface transport be re-examined and that the planning process be halted and re-instigated, to allow for full and transparent examination of the facts to ensure Gatwick Airport's new runway does not cost the planet, communities and the public purse dearly.*
