Dear Sirs

Applicant's Submission of Additional Information of 24 April 2025

The applicant (Gatwick Airport) isn't respecting the planning process by introducing a third scheme outside of the examination time frame.

The Secretary of State should demand that noise and surface transport be re-examined and that the planning process be halted and re-instigated, to allow for full and transparent examination of the facts to ensure Gatwick Airport's proposal does not cost the planet, communities and the public purse dearly.

Yours faithfully

Kevin Clarke
