Dear Plannng Inspectorate

Re Gatwick Expansion

***"The applicant (Gatwick Airport) is making a mockery of the planning process, by introducing a third scheme outside of the examination time frame. We urge the Secretary of State to demand that noise and surface transport be re-examined and that the planning process be halted and re-instigated, to allow for full and transparent examination of the facts to ensure Gatwick Airport's new runway does not cost the planet, communities and the public purse dearly."***

***Yours Sincerely  
Alison McCormick***
