Dear Secretary of State,

Application by Gatwick Airport Limited ("the Applicant") seeking Development Consent for the Proposed Gatwick Airport Northern Runway Project ("the DCO")

My objection to a proposed northern runway at Gatwick airport is as follows;

I live in an area which is already severely affected by aircraft noise and I believe that a second runway with increased traffic would be even more unacceptable on nuisance, health and environmental grounds.

My address is  The aircraft noise, particularly when aircraft are approaching from the east due to the prevailing westerly and south westerly winds, is already unacceptable due to one plane after another using the very narrow corridor of the Instrument Landing System.

I therefore appeal to you as the the decision maker to turn down the application by Gatwick Airport Limited seeking development consent for the proposed Gatwick Airport Northern Runway Project.

Yours Sincerely,

John Michael Kelly
