Heritage Plan - Key Plan

This heritage plan contains all designated heritage assets recorded in the historic environment within 10km radius of the proposed Able Marine Energy Park. This includes scheduled monuments, World Heritage sites, listed buildings and other historic structures, conservation areas, archaeological sites and registered battlefields. There are in total no World Heritage sites or registered battlefields in the vicinity of the project. A Gazetteer listing of all the heritage assets identified on these plans is attached, and the plans together with this Gazetteer comprise application document TR030001/APP/17.

Designated and non-designated assets are described within c. 500m of the AMEP site and the Compensation Site more fully in the Environmental Statement (ES), document reference TR030001/APP/13b, at Table 18.4 and 40.4 respectively. More details of heritage assets beyond this zone are included in Section 18.5 (Table 18.9) only where there is assessed to be a likely potential effect on their setting.
