Dear Mr Walker,

PROPOSED ABLE MARINE ENERGY PARK

Thank you for your email of today's date requesting a further three weeks for your client, Able Humber Ports Limited, to reply to the Department's letter of 28 August.

We have considered the reasons for your request. We agree that, in the circumstances which you have described, it would be appropriate to allow more time so that your client's response is complete and in a suitably clear form for the purposes of consultation with other interested parties.

We have therefore decided to set a new deadline of 16 October 2013 for your reply. As indicated in our letter of 28 August, once we have received your reply we will allow interested parties 28 days to comment on your response. We have not, however, altered the 18 December deadline for the decision on this application.

Yours sincerely,

Martin Woods
