Subject: PLANNING ACT 2008 APPLICATION TO MAKE NON-MATERIAL CHANGES TO THE ABLE MARINE ENERGY PARK ORDER 2014
Date: 06 May 2019 09:22:35

Dear Sir / Madam

I refer to your letter sent by email on 29 April 2019.

I have no additional comments to make to that already made and reiterate that the opportunity should be taken to cater for a wider range species as possible both flora and fauna to enhance biodiversity, increase tree and hedge cover and improve the environment at the mouth of the East Halton / Skitter Beck. There is a further need to combat the intimidation and damage caused by off road bikers and other motorised vehicle to walkers on the public right of way as well as flytipping of which more has occurred in the area adjacent the trees near the mouth of the East Halton / Skitter Beck, as well as down the bank of the land side from the sea / flood defence wall.

Yours faithfully

Sheila Henley
