Dear Sir/Madam,

Thank you for the opportunity to comment on the application for a non-material change to the approved Able Marine Energy Park Order. The following comments are submitted on behalf of Anglian Water as water and sewerage undertaker for part of the above project.

Anglian Water does not have any comments to make in relation to the land for habitat mitigation as this is outside of our role as an infrastructure provider.

I would be grateful if you could confirm that you have received this response.

Should you have any further queries relating to this response please let me know.

Regards,
Stewart Patience, MRTPI
