Dear Sir / Madam

Application by Able Humber Ports Limited for consent from the Secretary of State to extend a time limit in the Able Marine Energy Park Development Consent Order 2014 (S.I. 2014/2935) under article 7 of this order

Further information submitted by Applicant and invitation to comment

On the 18 December 2013, the Secretary of State (SoS) for the Department of Transport (DfT) granted development consent for the Able Marine Energy Park Development Consent Order (DCO), that came into force 29 October 2014.

We are writing to you and/or your organisation as a potential consultee with interest regarding the [Able Marine Energy Park project](#). Following the publication of the Applicant's responses to the Department for Transport's request of 5 and 8 of August 2024, The Secretary of State invites comments from all Interested Parties by **1 October 2024**. The Department for Transport would be grateful for a response from Natural England.

This information has been published on the project page. Submissions can be made via the project email address: ablemarineenergypark@planninginspectorate.gov.uk
