Dear The Planning Inspectorate

**Re: TR0310001 Able Marine Energy Park**

**Able Marine Energy Park Applicants submission of Additional Information;  
Killingholme, North Lincolnshire, On The South Bank Of The Humber Estuary**

Thank you for your notification of 11 June 2025 seeking the views of the Coal Authority on the above.

The Coal Authority is a non-departmental public body sponsored by the Department for Energy Security and Net Zero. As a statutory consultee, the Coal Authority has a duty to respond to planning applications and development plans in order to protect the public and the environment in mining areas.

We have reviewed the site location plan provided and can confirm that the site falls within the Coal Authority's defined Development Low Risk Area. On this basis we have no specific comments to make.

However, in the interest of public safety, it is requested that the Coal Authority's Standing Advice note is drawn to the applicant's attention, where relevant.

Yours

**The Coal Authority Planning Team**
