Dear Transport Infrastructure Planning Unit

Thank you for the letter of June 11, 2025 inviting comments on the Applicant's Submission of Additional Information of 9 June 2025 for the ABLE MARINE ENERGY PARK DEVELOPMENT CONSENT ORDER 2014 (S.I 2014/2935).

The Maritime and Coastguard Agency (MCA) has no concern with regards to a time extension only. Able Marine Park is located within a Statutory Harbour Authority – ABP Humber so they may wish to comment. This response is on the understanding that no other parameters are changing which may impact any risks associated with shipping and safe navigation. Previous MCA advice should be addressed, and all maritime safety legislation should be complied with.

Kind regards
