Proposal: Request made by Able Humber Ports Limited ("the Applicant") for the Secretary of State's approval to extend the completion period of the Able Marine Energy Park Development Consent Order 2014 (S.I. 2014/2935)

Address: Marine Energy Park, Rosper Road, North Killingholme, Immingham, DN40 3DZ

Officer: [REDACTED]

Thank you for your email dated 11th June 2025 giving North Lincolnshire Council (NLC) the opportunity to comment on the Request made by Able Humber Ports Limited ("the Applicant") for the Secretary of State's approval to extend the completion period of the Able Marine Energy Park Development Consent Order 2014 (S.I. 2014/2935)

I can confirm that after consultation with our internal technical consultees the Ecologist has commented that assuming that the Secretary of State agrees that the "no alternative" and "IROPI" cases are sound and given that compensation and mitigation measures have been agreed under the Habitats Regulations, North Lincolnshire Council would have no objections to the seven-year extension of time.

If you require anything else, please do not hesitate to contact me should you wish to discuss this matter further.

Kind Regards
