Dear Sirs

Notification of Proposed Application pursuant to s46 Planning Act 2008: The West Midlands Interchange Rail Freight Order 201X

Further to our recent email correspondence, please accept this letter as notification pursuant to section 46 of the Planning Act 2008 ("the Act") that Four Ashes Limited ("the Applicant") intends to carry out its statutory consultation pursuant to section 42 of the Act commencing on 5 July 2017 and expiring on 30 August 2017.

Accordingly, we enclose the following:

- 1) A copy of the letter being sent to all consultation bodies pursuant to sections 42, 43 and 44 of the Act;
- 2) A copy of the section 48 press notice; and
- 3) A copy of the latest Newsletter which is to be enclosed with the consultation letter.

The deadline given for responses to the consultation is 30 August 2017.

For the avoidance of doubt, we confirm that the Applicant prepared a Statement of Community Consultation ("SoCC") and consulted with the local authorities (South Staffordshire Council and Staffordshire County Council) in respect of the content thereof. The Applicant published a notice in local newspapers on 21 June 2017 pursuant to section 47(6) of the Act advising that the SoCC could be inspected at various locations. We have enclosed a copy of that notice for your information.

We trust the enclosed information is sufficient, however, should you require any further information please do not hesitate to contact Morag Thomson (moragthomson@evershedssutherland.com) or Laura-Beth Hutton (laura-bethhutton@eversheds-sutherland.com).

Yours faithfully

Dear ______,

Planning Act 2008 (as amended) – Section 46 and The Infrastructure Planning (Environmental Impact Assessment) Regulations 2009 (as amended) – Regulation 6

Proposed application by Four Ashes Limited for an Order Granting Development Consent for the West Midlands Interchange

Acknowledgement of receipt of information concerning proposed application

Thank you for your letter of 3 July 2017 and the following documentation:

- Section 48 Press Notice
- West Midlands Interchange Section 47 Notice
- Section 42 Letter
- Stage 2 Consultation Newsletter

I acknowledge that you have notified the Planning Inspectorate of the proposed application for an order granting development consent for the purposes of section 46 of the PA2008 and supplied the information for consultation under section 42. The following reference number has been given to the proposed application, which I would be grateful if you would use in subsequent communications:

TR050005

I also acknowledge notification in accordance with Regulation 6 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2009 (as amended) that you propose to provide an environmental statement in respect of the proposed development.

I will be your point of contact for this application – my contact details are at the end of this letter.

The role of the Planning Inspectorate in the application process is to provide independent and impartial advice about the procedures involved and to have open discussions with potential applicants, statutory bodies and others about the processes and requirements of the new regime. It is important that you keep us accurately informed of your timetable and any changes that occur.

We will publish advice we give to you or other interested parties on our website and, if relevant, direct parties to you as the applicant. We are happy to meet at key milestones and/or provide advice as the case progresses through the pre-application stage.

Once you have prepared draft documents we are able to provide technical advice, in particular on the draft development consent order, explanatory memorandum, the consultation report and any draft HRA. You may therefore wish to build this into your timetables.

In the meantime, you may wish to have regard to the guidance and legislation material provided on our website including the Infrastructure Planning (Fees) Regulations 2010 (as amended) and associated guidance, which you will need to observe closely in establishing the correct fee to be submitted at the successive stages of the application process.

When seeking to meet your pre-application obligations you should also be aware of your obligation under the Data Protection Act 1998 to process personal data fairly and lawfully.

If you have any further queries, please do not hesitate to contact me.

Yours sincerely,

Case Manager

0303 444 5000

Advice may be given about applying for an order granting development consent or making representations about an application (or a proposed application). This communication does not however constitute legal advice upon which you can rely and you should obtain your own legal advice and professional advice as required.

A record of the advice which is provided will be recorded on the National Infrastructure Planning website together with the name of the person or organisation who asked for the advice. The privacy of any other personal information will be protected in accordance with our Information Charter which you should view before sending information to the Planning Inspectorate.

1. Introduction

This Statement of Community Consultation (SoCC) has been prepared in accordance with section 47 of the Planning Act 2008 (as amended) ("the Act") and guidance provided by the Department for Communities and Local Government¹ to explain how Four Ashes Ltd (FAL) intends to carry out its statutory consultation on West Midlands Interchange; a proposed Strategic Rail Freight Interchange (SRFI) with warehousing and other associated development that would be built on land west of Junction 12 of the M6 in southern Staffordshire.

West Midlands Interchange is classified as a Nationally Significant Infrastructure Project (NSIP) under the Act. An application for a Development Consent Order ("DCO") will therefore be submitted to the Planning Inspectorate ("PINS") for examination and determined by the Secretary of State for Transport. FAL intends to submit an application for a DCO in Autumn 2017.

FAL carried out Stage 1 Consultation (non-statutory) from 13 June to 24 July 2016 to gather evidence and inform the development of the proposed scheme. Stage 2 Consultation (statutory) will be carried out from [to be completed when date confirmed but to be no less than six weeks] to []. Stage 2 Consultation will include detailed information about the proposed scheme as well as a report setting out the feedback received during the first stage of consultation (the "Interim Consultation Report").

The following table sets out the likely timetable:

When	What
[] to [dates to be confirmed] 2017	Stage 2 Consultation: detailed proposals
End of 2017 / early 2018	Application for DCO submitted
May to October 2018	Examination process
April 2019	Decision from Secretary of State
The proposed DCO submission and subsequent timescales are based on current expectations ar	
are subject to change.	

1.1. Project description

The development proposed is:

- An intermodal freight terminal with connections to the West Coast Main Line, capable of accommodating up to 10 trains per day and trains of up to 775m long and including container storage, HGV parking, rail control building and staff facilities;
- Up to 743,200 square metres of rail served warehousing and ancillary service buildings;
- New road infrastructure and works to the existing road infrastructure;
- Demolition of existing structures and structural earthworks to create development plots and landscape zones; and
- Strategic landscaping and open space, including alterations to public rights of way and the creation of new ecological enhancement areas and publicly accessible open areas.

The Project is EIA development and be subject to an environmental impact assessment. In accordance with Regulation 10(a) of the Infrastructure Planning (Environmental Impact Assessment)

DCLG document "The Planning Act 2008: Guidance on the Pre-Application Process" March 2015

Regulations 2009 preliminary environmental information will therefore be included in the documentation which is to be available as part of Stage 2 Consultation.

1.2. Four Ashes Limited

The West Midlands Interchange project is being developed by Four Ashes Limited (FAL) – a consortium led by Kilbride Holdings, a company specialising in rail infrastructure to serve business and industry.

The partners of FAL are committed to delivering a rail served development which will bring significant sustainable social and economic benefits to South Staffordshire, the Black Country and the wider region, through responsible design and by taking into account community interests and environmental considerations.

2. Pre-Application Consultation

Applicants applying for development consent under the Act are required to carry out pre-application consultation that fulfils certain requirements, before the application can be accepted for examination by the Planning Inspectorate. In addition to consulting various statutory bodies and parties whose land or interests may be affected, the Act sets out how the community should be consulted.

Applicants are required to set out in a Statement of Community Consultation (SoCC) how they intend to consult with the community, then carry out consultation in line with that statement. That is the function of this statement.

Staffordshire County Council and South Staffordshire Council were consulted on this SoCC before its publication. A draft was submitted to the councils on [8 May 2017] for comment. Comments were received from Staffordshire County Council on [DATE] and South Staffordshire Council on [DATE]. The SoCC was then updated and published on [DATE]. Full details of the comments received by the two councils and how FAL took them into consideration in the final draft will be included in a Consultation Report submitted as part of the DCO application.

3. Stage 2 Consultation

This SoCC outlines FAL's proposed approach to consultation with the local community for Stage 2 Consultation (under section 47 of the Act) on the West Midlands Interchange proposals.

3.1. When we are consulting

Stage 2 Consultation on the West Midlands Interchange will run from [to be inserted when confirmed] to midnight on [to be inserted when confirmed but not less than six weeks later]. The consultation period will last for [] days.

Note for the Draft SoCC: Should the consultation period extend over South Staffordshire's school holiday period (from Wednesday 26 July to Monday 4 September 2017), the consultation will be extended to allow additional time for members of the local community to respond to the consultation. At least five public exhibitions will be held outside of the school holidays.

3.2. Who we are consulting

During Stage 2 Consultation we are consulting with the local community, residents and businesses in the immediate area of the site, and with the general public. Copies of the Newsletter and Feedback Form will be sent to all residential and business addresses identified by the Royal Mail within the consultation zone, and to those who have registered for updates (where an address has been provided). The consultation zone extends approximately 3km / 1.9 miles from the site boundary, with extensions to ensure villages or groups of houses are wholly included. A map of the Stage 2 consultation zone can be found in Appendix 1.

Information will be available online and on request as set out in section 0, enabling the wider public to access information during Stage 2 consultation.

3.3. What we are consulting on

During this stage of consultation, we will be seeking comments and feedback on the proposed scheme presented in the Stage 2 Consultation documents. These will include more detail than provided for the Stage 1 Consultation and will include parameter plans, revised illustrative layout plan, more advanced preliminary environmental information assessing the impact of the scheme and additional information as detailed below. It will be based on a revised western rail terminal option and will include the highway mitigation measures required to accommodate the scheme along with greater detail on the green infrastructure to be provided.

The development to be applied for is an EIA development as defined in the Infrastructure Planning (Environmental Impact Assessment) Regulations 2009. The application will be accompanied by an Environmental Statement. Preliminary environmental information will be part of the documentation consulted upon, as described below.

3.4. Consultation documents

<u>Consultation Newsletter</u> – This short document will include an outline of the proposed scheme and details of public exhibitions, where more information can be found, and how to provide feedback. A newsletter will be sent to each residential and business address identified within the consultation zone (Appendix 1) and those who have registered for updates.

<u>Feedback Form</u> – The Feedback Form is a document to guide and collect feedback. Dedicated space will be included for open comments about the proposals and the document will include information about how to return the feedback. The Feedback Form will be sent with the Stage 2 Consultation Newsletter to all residential and business addresses within the consultation zone and to those who have registered for updates. Feedback will be welcome in any of the formats set out in section 3.8 below ("How to provide feedback").

<u>Overview Report</u> – This document provides a summary of the proposed scheme and its key elements updated to reflect evolution of the scheme following Stage 1 Consultation. The Overview Report will contain the following information:

- Background to the project
- The policy background and planning case for the scheme
- The need case for the project and an assessment of alternative sites
- An overview of the proposed scheme including masterplans and visualisations
- Management and timing of construction
- How the site and rail terminal will be operated
- Information about the potential benefits, effects and impacts of the proposals.

<u>Interim Consultation Report</u> - The Interim Consultation Report sets out the consultation carried out to date for the West Midlands Interchange, the feedback that was received and how it has been considered in the development of the project.

Technical documents

[To be listed]

- Preliminary Environmental Information Report
- Planning Statement
- Alternative Site Assessment
- Parameter plans
- Illustrative masterplan

3.5. Where is information available?

In order to make the consultation documents set out above in section 3.4 easily accessible, information will be available through the following channels during Stage 2 Consultation:

Online: All consultation documents will be available to download from the project website: www.westmidlandsinterchange.co.uk.

Consultation USB: A USB containing digital copies of all consultation documents will be available during the consultation. We will send a Consultation USB free of change to those who request it.

Public exhibitions: All consultation document will be available for review at the public exhibitions set out in section 3.6. In addition, copies of the Overview Report, Feedback Form and the Consultation USB will be available to take away from the exhibitions.

Posted on request: A copy of the Overview Report, Feedback Form and Consultation USB will be sent free of charge to anyone who requests them. Printed copies of all other consultation documents are available on request, however there may be a charge required to cover the cost of printing.

Information points: Copies of the Overview Report, Newsletter and Feedback Form will be available to review and take away at three local information points as set out below. In addition, copies of the Parameters Plans and Illustrative Masterplan will be available at the local information points to review. The local information points will be checked every two weeks during the consultation period to ensure the documents are available.

3.6. Public exhibitions

During Stage 2 Consultation, we will hold five public exhibitions. These events allow people to discuss specific issues with the project team. Copies of all the consultation documents (as listed in section 3.4) will be available at each exhibition to review.

Note for the Draft SoCC: The dates of public exhibitions will be confirmed before the publication of the SoCC on the basis of availability of venues. Exhibition times and locations will be chosen to enable the community to attend at convenient times. Venues for the exhibitions will include The Haling Dene Centre in Penkridge, Coven Memorial Hall, the Jubilee Hall in Brewood and the Village Hall in Calf Heath. Four exhibitions will be held on weekdays and one will be held on a Saturday. Weekday exhibitions will typically run from the afternoon to the evening, enabling people to attend after work. The exhibition held on a Saturday will be run from mid-morning till early afternoon.

3.7. Publicity

In accordance with s.47 (6) (za) of the Planning Act 2008, this statement is being made available for inspection by the public at the local information points listed in section 3.5 (Brewood Library, Penkridge Library and South Staffordshire Council)

We will use a range of communication channels to publicise the consultation period, where to find information and the details of public exhibitions. Publicity will be timed to promote consultation at the start of the consultation period, to ensure that people hear about it in good time and to promote the consultation deadline.

- Direct mail at consultation launch a copy of our Newsletter and Feedback Form will be sent by
 first class Royal Mail to residents and businesses within the consultation zone (Appendix 1) at the
 start of consultation. An additional letter will be sent closer to the date of the exhibitions to help
 encourage attendance and provide a reminder of dates should there be a long gap between the
 start of consultation and public exhibitions due to the Easter holiday.
- Newspaper advertisement quarter page colour adverts will be placed in the Express and Star, Staffordshire Newsletter and Birmingham Mail during the first week of consultation to promote the consultation and the public exhibitions. This will be in addition to the formal notice under s.47 (6) (a) publicising where and when this SoCC can be inspected that was placed in the Express and Star, Staffordshire Newsletter and Birmingham Mail on [date tbc].
- Press releases will be issued to a number of regional media outlets to seek coverage at the start and end of consultation.
- Posters will be placed in the local area at appropriate locations to help promote the consultation.
 They will also be sent free of charge to any business, Parish Council or other interested body who reasonably request them to help promote the consultation.

3.8. How to provide feedback

Feedback can be sent to us through any of the channels below. The deadline for responding will be midnight on [to be inserted]. Responses received after this date may not be considered as part of the responses to Stage 2 Consultation.

- Online Feedback Form can be completed on the project website www.westmidlandsinterchange.co.uk
- Email feedback can be sent via <u>contactus@communityrelations.co.uk</u>
- Freepost the Feedback Form, or any other feedback, can be posted to the freepost address "FREEPOST WMI"

FREEPOST WMI

4. Hard to Reach

In conjunction with South Staffordshire Council and Staffordshire County Council, we have identified a range of 'hard to reach' groups specifically related to the consultation zone.

To ensure that 'hard to reach' groups are encouraged to get involved in Stage 2 Consultation, the consultation documents will be prepared to be accessible, clear and relevant.

In addition, we will ensure that:

- The freepost address and freephone number are prominent on all published material (including this SoCC) and enable to contact the team directly with questions or requests.
- The Newsletter, Feedback Form and Consultation Overview Document are available in alternative forms free of charge on the basis of reasonable requests (e.g. large print, Braille).
- Exhibitions are held at times and places that are convenient and as accessible to as many people
 as possible. Anyone requiring special requirements to attend an event will be invited to contact
 us via the communications channels identified on advertising materials.
- Information is sent directly to people's addresses within the consultation zone.
- Representatives of 'hard to reach' groups are contacted directly.

5. Next steps

As part of Stage 2 Consultation we will also be carrying out statutory consultation with;

- statutory consultees, local authorities and those with an interest in the land under sections 42, 43 and 44 of the Act;
- and by publicising the proposed scheme in local and national publications under section 48 of the Act.

Following completion of the Stage 2 Consultation the project team will review and consider all the feedback it receives during Stage 2 Consultation. The findings of Stage 2 Consultation, along with details of how we have considered the issues raised, will be published in a Consultation Report, required to be submitted as part of FAL's application for development consent pursuant to s.37(3) (c) of the Planning Act 2008. This Consultation Report is distinct from the Interim Consultation Report that is one of the consultation documents published as part of Stage 2 Consultation.

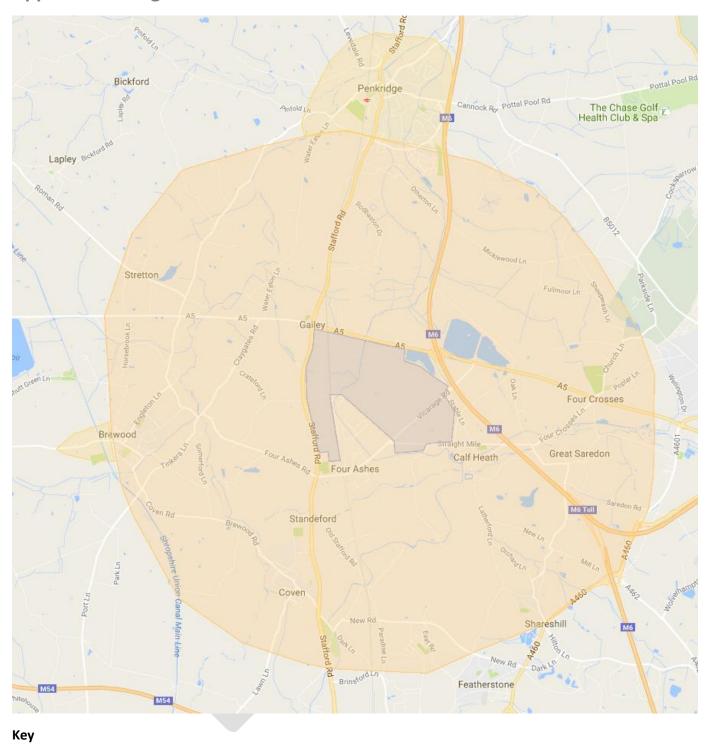

6. Contact us

There are a number of ways that you can contact a member of our Community Relations Team.

Send an email to: contactus@communityrelations.co.uk.

Call our freephone helpline: 0800 377 7345. The helpline is open between 9am – 5.30pm Monday – Friday (except public holidays). An answering service is available outside these times. Remember to include your name, address and a phone number if you need us to contact you back.

Dear ,

Four Ashes Limited (FAL) is consulting with the relevant local authorities on a draft Statement of Community Consultation (SoCC), a copy of which is attached. The SoCC sets out how FAL will consult on its proposals with the local community during its Stage 2 (statutory) consultation period.

We would welcome and value your input on any aspect of the draft SoCC. We would also appreciate any information you can provide about hard to reach groups in the area, as we are keen to engage with them.

Please send any responses to the draft SoCC to me by email. The period for consultation on the SoCC is set out in the Planning Act 2008 as 28 days from the day after your receipt of the draft statement. As the 8th June is the day of the General Election, please could we have comments back by close of business on Friday 9th June 2017.

We look forward to seeing you next week on 16 May and we can use this as an opportunity to discuss the draft SoCC.

Kind regards,

Response of South Staffordshire Council to WMI Draft Statement of Community Consultation (SoCC)

I refer to the above matter and your request for the response of South Staffordshire Council to the WMI Draft SoCC that you have submitted to the Council in accordance with the requirements of the 2008 Planning Act (which relates to Development Consent Order applications).

The Cabinet Member (Planning & Enterprise), Cllr Bob McCardle, has asked me to inform Four Ashes Ltd that the intention to show how the emerging project has been informed by comments received during Stage 1 Consultation (Summer 2016) is a good idea. In addition, we request that during Stage 2 Consultation, Four Ashes Ltd states its intention to make direct contact with the following bodies and invite dialogue/engagement in order to seek their views at Stage 2: -

- Parish Councils within the environs of the site (state the names)
- Stoke & Staffordshire LEP
- Local protest group (Stop the Gailey Rail Hub)
- Neighbouring local authorities

I would be grateful if you could convey this response to your clients Four Ashes Ltd.

Yours sincerely

We concur with the position presented by South Staffordshire DC. However, in relation to neighbouring local authorities we would suggest that the SoCC should list these by name e.g. Cannock Chase etc so it is clear which neighbouring authorities are to be consulted.

1. Introduction

- 1.1.1 This Statement of Community Consultation ("SoCC") has been prepared in accordance with section 47 of the Planning Act 2008 (as amended) ("the Act") and guidance provided by the Department for Communities and Local Government¹ to explain how Four Ashes Ltd ("FAL") intends to carry out its statutory consultation on West Midlands Interchange; a proposed Strategic Rail Freight Interchange ("SRFI") with warehousing and other associated development that would be built on land west of Junction 12 of the M6 in southern Staffordshire.
- 1.1.2 West Midlands Interchange is classified as a Nationally Significant Infrastructure Project ("NSIP") under the Act. An application for a Development Consent Order ("DCO") will therefore be submitted to the Planning Inspectorate for examination and determined by the Secretary of State for Transport. FAL intends to submit an application for a DCO at the end of 2017 or early 2018.
- 1.1.3 FAL carried out Stage 1 Consultation (non-statutory) from 13 June 2016 to 24 July 2016 to gather evidence and inform the development of the proposed scheme. Stage 2 Consultation (statutory) will be carried out from Wednesday 5 July 2017 to Wednesday 2017. Stage 2 Consultation will include detailed information about the proposed scheme as well as a report setting out the feedback received during the first stage of consultation (the "Interim Consultation Report").
- 1.1.4 The following table sets out the likely timescales:

Table 1: Project timescales

When	What
5 July 2017 to 30 August 2017	Stage 2 Consultation: detailed proposals
End of 2017 / Early 2018	Application for DCO to be submitted

¹ DCLG document "The Planning Act 2008: Guidance on the Pre-Application Process" March 2015

May to October 2018	Examination process
	After the Examination the Planning Inspectorate will prepare a report and recommendation for the Secretary of State
April 2019	Decision from Secretary of State
The proposed DCO submission and subsequent timescales are based on curre expectations and are subject to change.	

1.2 Project description

1.2.1 The development proposed is:

- An intermodal freight terminal with direct connections to the West Coast Main Line, capable of accommodating around 10 trains per day and trains of up to 775m long, including container storage, Heavy Goods Vehicle ('HGV') parking, rail control building and staff facilities;
- Up to 743,200 square metres of rail served warehousing and ancillary service buildings;
- New road infrastructure and works to the existing road infrastructure;
- Demolition of existing structures and earthworks to create development plots and landscape zones;
- Repositioning and burying of electricity pylons and cables; and
- Strategic landscaping and open space, including alterations to public rights of way and the creation of new ecological enhancement areas and publicly accessible open areas.
- 1.2.2 The development is EIA (Environmental Impact Assessment) development and will be subject to an environmental impact assessment. In accordance with Regulation 10(a) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2009 preliminary environmental information will therefore be included in the documentation which is to be available as part of the Stage 2 Consultation.

1.3 Four Ashes Limited

- 1.3.1 The West Midlands Interchange project is being developed by Four Ashes Limited a consortium led by Kilbride Holdings, a company specialising in rail infrastructure to serve business and industry.
- 1.3.2 The partners of FAL are committed to delivering a rail served development which will bring significant sustainable social and economic benefits to South Staffordshire, the Black Country and the wider region, through responsible design and by taking into account community interests and environmental considerations.

2. Pre-Application Consultation

- 2.1.1 Applicants applying for development consent under the Act are required to carry out pre-application consultation that fulfils certain requirements, before the application can be accepted for examination by the Planning Inspectorate. In addition to consulting various statutory bodies and parties whose land or interests may be affected, the Act sets out how the community should be consulted.
- 2.1.2 Applicants are required to set out in a Statement of Community Consultation (SoCC) how they intend to consult with the community, then carry out consultation in line with that statement. That is the function of this statement.
- 2.1.3 South Staffordshire Council and Staffordshire County Council were consulted on this SoCC before its publication. A draft was submitted to the councils on 10 May 2017 for comment. Comments were received from Staffordshire County Council on 14 June 2017 and South Staffordshire Council on 9 June 2017. The SoCC was then updated and published on 21 June 2017. Full details of the comments received by the two councils and how FAL took them into consideration in the final draft will be included in a Consultation Report submitted as part of the DCO application.

3. Stage 2 Consultation

3.1.1 This SoCC outlines FAL's proposed approach to consultation with the local community for Stage 2 Consultation (under section 47 of the Act) on the West Midlands Interchange proposals.

3.2 When we are consulting

3.2.1 Stage 2 Consultation on the West Midlands Interchange will run from Wednesday 5 July 2017 to midnight Wednesday 30 August 2017. The consultation period will last for 57 days.

3.3 Who we are consulting

- 3.3.1 During the Stage 2 Consultation we are consulting with the local community, residents and businesses in the immediate area of the site, and with the general public. Copies of the Newsletter and Feedback Form will be sent to all residential and business addresses identified by the Royal Mail within the consultation zone, and to those who have registered for updates (where an address has been provided). The consultation zone extends approximately 3km / 1.9 miles from the site boundary, with extensions to ensure villages or groups of houses are wholly included. A map of the Stage 2 consultation zone can be found in Appendix 1.
- 3.3.2 Information will be available online and on request as set out in section 3.6 enabling the wider public to access information during Stage 2 consultation.

3.4 What we are consulting on

- 3.4.1 During this stage of consultation, we will be seeking comments and feedback on the proposed scheme presented in the Stage 2 Consultation documents. These will include more detail than provided for the Stage 1 Consultation and will include parameter plans, a revised illustrative layout plan, more advanced preliminary environmental information assessing the impact of the scheme and additional information as detailed below. It will be based on a revised western rail terminal option and will include the highway mitigation measures required to accommodate the scheme along with greater detail on the green infrastructure to be provided.
- 3.4.2 The development to be applied for is an EIA (Environmental Impact Assessment) development as defined in the Infrastructure Planning (Environmental Impact Assessment) Regulations 2009. The application will be accompanied by an Environmental Statement. Preliminary environmental information will be part of the documentation consulted upon, as described below.

3.5 Consultation documents

- 3.5.1 The following documents have been prepared specifically for the Stage 2 consultation and contain information that may be revised before an application is made to the Planning Inspectorate:
- 3.5.2 Consultation Newsletter This short document will include an outline of the proposed scheme and details of public exhibitions, where more information can be found, and how to provide feedback. This Newsletter will be sent to each residential and business address identified within the consultation zone (Appendix 1) and those who have registered for updates.
- 3.5.3 Feedback Form The Feedback Form is a document to guide and collect feedback. Dedicated space will be included for open comments about the proposals and the document will include information about how to return the feedback. The Feedback Form will be sent with the Stage 2 Consultation Newsletter to all residential and business addresses within the consultation zone and to those who have registered for updates. Feedback will be welcome in any of the formats set out in section 3.9 below ("How to provide feedback").

- 3.5.4 Overview Document This document provides a summary of the proposed scheme and its key elements. It has been updated to reflect the evolution of the scheme following Stage 1 Consultation. The Overview Document will contain the following information:
 - Background to the project
 - The policy background and planning case for the scheme
 - The need case for the project and an assessment of alternative sites
 - An overview of the proposed scheme including masterplans and visualisations
 - Management and timing of construction
 - How the site and rail terminal will be operated
 - Information about the potential benefits, effects and impacts of the proposals.
- 3.5.5 <u>Interim Consultation Report</u> The Interim Consultation Report sets out the consultation carried out to date for the West Midlands Interchange, the feedback that was received and how it has been considered in the development of the project.
- 3.5.6 The following documents are all draft documents which will be consulted upon as part of the Stage 2 Consultation and which will form part of the application to be submitted to the Planning Inspectorate:

3.5.7 **Technical documents**

- <u>Draft Proposed Order</u> (including requirements) and <u>Explanatory</u> Memorandum
- <u>Preliminary Environmental Information Report</u> and <u>Non-Technical</u> Summary
- Planning Statement
- Alternative Sites Report
- Rail Report
- Market Assessment
- Design and Access Statement
- Draft maps and drawings including <u>illustrative masterplan</u> and parameters plan.

3.6 Where is information available?

- 3.6.1 In order to make the consultation documents set out above in section 3.5 easily accessible, information will be available through the following channels during Stage 2 Consultation:
- 3.6.2 Online: All consultation documents will be available to download from the project website: www.westmidlandsinterchange.co.uk.
- 3.6.3 <u>Digital storage device</u>: A USB containing digital copies of all consultation documents will be available during the consultation. We will send a copy of this USB free of charge to those who request it.
- 3.6.4 <u>Public exhibitions</u>: All consultation documents will be available for review at the public exhibitions set out in section 3.7 In addition, copies of the Overview Report, Feedback Form and the Consultation USB will be available to take away from the exhibitions.
- 3.6.5 Posted on request: A copy of the Overview Report, Feedback Form and/or USB containing the consultation documents will be sent free of charge to anyone who requests them. Printed copies of all other consultation documents are available on request, however there may be a charge of up to £500 required to cover the cost of printing.
- 3.6.6 Information points: Copies of the Overview Report, Newsletter and Feedback Form will be available to review and take away at three local information points as set out over the page. In addition, copies of all the documents listed in section 3.5 will be available at the local information points to review. The local information points will be checked every two weeks during the consultation period to ensure the documents are available.

3.8 Publicity

- 3.8.1 In accordance with s.47 (6) (za) of the Planning Act 2008, this statement is being made available for inspection by the public at the local information points listed in section 3.6 (Brewood Library, Penkridge Library and South Staffordshire Council).
- 3.8.2 We will use a range of communication channels to publicise the consultation period, where to find information and the details of public exhibitions. Publicity will be timed to promote consultation at the start of the consultation period, to ensure that people hear about it in good time and to promote the consultation deadline.
 - Direct mail at consultation launch a copy of our Newsletter and Feedback Form will be sent by first class Royal Mail to residents and businesses within the consultation zone (Appendix 1) at the start of consultation.
 - Newspaper advertisement quarter page colour adverts will be placed in the Express and Star, Staffordshire Newsletter and Birmingham Mail during the first week of consultation to promote the consultation and the public exhibitions. This will be in addition to the formal notice under s.47 (6) (a) placed in the Express and Star, Staffordshire Newsletter and Birmingham Mail on 21 June 2017 publicising where and when this SoCC can be inspected.
 - Press releases will be issued to a number of regional media outlets to seek coverage at the start and end of consultation.
 - Posters will be placed in the local area at appropriate locations to help promote the consultation. They will also be sent free of charge to any business, Parish Council or other interested body who reasonably request them to help promote the consultation.

3.9 How to provide feedback

- 3.9.1 Feedback can be sent through any of the channels below. The deadline for responding will be midnight on Wednesday 30 August 2017. Responses received after this date may not be considered as part of the responses to Stage 2 Consultation.
 - Online Feedback Form can be completed on the project website www.westmidlandsinterchange.co.uk
 - Email feedback can be sent via contactus@communityrelations.co.uk
 - Freepost the Feedback Form, or any other feedback, can be posted to the freepost address "FREEPOST WMI"

4. Hard to Reach

- 4.1.1 In conjunction with South Staffordshire Council and Staffordshire County Council, we have identified a range of 'hard to reach' groups specifically related to the consultation zone.
- 4.1.2 To ensure that these 'hard to reach' groups are encouraged to get involved in Stage 2 Consultation, the consultation documents will be prepared to be accessible, clear and relevant.
- 4.1.3 In addition, we will ensure that:
 - The freepost address ('FREEPOST WMI') and freephone number (0800 377 7345) are prominent on all published material (including this SoCC) and enable the team to be contacted directly with questions or requests.
 - The Newsletter, Feedback Form and Overview Document are available in alternative forms free of charge on the basis of reasonable requests (e.g. large print, Braille).
 - Exhibitions are held at times and places that are convenient and as accessible to as many people as possible. Anyone requiring special requirements to attend an event will be invited to contact us via the communications channels identified on advertising materials.

- Information is sent directly to people's addresses within the consultation zone.
- Representatives of 'hard to reach' groups are contacted directly.

5. Next Steps

- 5.1.1 As part of the Stage 2 Consultation we will also be carrying out statutory consultation as follows:
 - with statutory consultees (including Parish Councils), local authorities and those with an interest in the land under sections 42, 43 and 44 of the Act; and
 - by publicising the proposed scheme in local and national publications under section 48 of the Act.
- 5.1.2 Parish Councils who will be consulted under section 42 include:

- Leicestershire County Council
- Derbyshire County Council
- Cheshire East Council
- Stoke-on-Trent City Council
- Warwickshire County Council
- Worcestershire County Council
- West Midlands Combined Authority
- Birmingham City Council
- Peak District National Park Authority
- 5.1.4 FAL will consult other groups during Stage 2 Consultation including other nearby parish councils and Local Enterprise Partnerships.
- 5.1.5 Following completion of the Stage 2 Consultation the project team will review and consider all the feedback it receives during Stage 2 Consultation. The findings of Stage 2 Consultation, along with details of how we have considered the issues raised, will be published in a Consultation Report, required to be submitted as part of FAL's application for development consent pursuant to s.37(3) (c) of the Planning Act 2008. This Consultation Report is distinct from the Interim Consultation Report that is one of the consultation documents published as part of Stage 2 Consultation.

Our great Brummies are back and better than ever! **Lennon Fitzsimmons** receives his award from Mark Eden at The Brummies 2016

By PAUL COLE

Print Editor paul.cole@trinitymirror.com

THEY'RE back - and they're bigger than ever before. It's the return of The Brummies.

The Birmingham Mail's awards will be staged for the second year running at the city's historic Town Hall.

Our September 29 gala night will recognise the great good people do for others, often unnoticed.

When we launched the awards last year, we were deluged with nominations from Mail readers.

And the stories we were able to tell on the night of our winners were inspirational.

People like schoolboy Lennon Fitzsimmons, who was injured while pushing his pal out of the way of an oncoming car.

People like mum Kim Douglas, whose campaign to raise awareness of asthma has helped to save countless lives.

There were many more, each an example to us all.

The Brummies 2017 welcomes some new faces, too. The Mail is presenting the awards in association with Resorts World Birming-

"Resorts World Birmingham is delighted to be headline sponsor of this year's awards," says Brid Bickerton, Head of Marketing and Business Development.

"Recognising local people and organisations who give their time, energy and skill to help and support others is one of the most important things we can do.

are looking forward to welcoming last year's winners to Resorts World during the next couple of months. We will also host the judging day that decides this year's winners and, of course, will be part of the night itself at Birmingham Town with our friends at the Birming-Hall when the recipients of Brummies 2017 will be revealed."

Brid says that this year's categories provide an opportunity for a whole range of inspirational people and organisations to be high- Natwest, Jerroms, Birmingham lighted, showcasing the wonderful Airport, Severn Trent Water and work they do for our communities BBC WM. whether they're charity or commuform to celebrate these local services, or those who raise funds rities from in and around Birming-

Resorts World Birmingham opened its doors in October 2015 and more than three million people have visited, enjoying the range of entertainment and leisure offers. It employs more than 1,000 people and plays host to a wide range of events and activities.

"We believe it is very important that we play our part in the life of the local area, not only in providing a great place to visit but also to support our local communities," says Brid. "Being sponsor of this year's Brummies is a honour.

"We are delighted to working ham Mail to make this year's Brummies a spectacular celebration of our local heroes.'

A FORMER CPS prosecutor from Stafford is holding court in church after being ordained as a deacon at Lichfield Cathedral.

Viv Starkie worked as a prosecuting solicitor across Staffordshire for more than 24 years before taking early retirement in 2012.

After completing five years of preparation and training, she was one of 22 new curates to be ordained by the Bishop of Lichfield, the Right Rev Dr Michael Ipgrave, over the weekend.

She will work in non-stipendiary (unpaid) role as curate in the Mid-Trent Benefice, a rural team of 10 churches in the Stafford area.

increasingly felt I should be doing more.

"Out of the blue I decided to take early retirement. Still reeling from this unexpected change of direction, I suddenly realised that God was calling me to ministry and that my professional skills in advocacy, my passion for justice, my concerns for victims of hate crime and domestic violence, were all just preparation for a vocation in ministry."

Even so Viv still resisted as she believed she wasn't holy enough. "I decided to take a Pathways course and finally accepted that God was calling me to ministry." she said. "Since I embraced it I've felt a bubble of joy within me."

Viv said: "I never imagined

when I was 33 that I would be ordained as a minister when I was 63. I was then a prosecuting solicitor with the Grown Prosecution Service with two small children. I only began teaching Sunday School to avoid the embarrassment of chasing around church after a toddler. As the years passed I

"He then told us he would cook our meal and disappeared into the kitchen.

"We had shoulder of lamb steaks and they were absolutely done to perfection.

"He was lovely. He had his picture taken with all our guests and really made our day. It was a real talking point for everyone.

"We were planning a quiet wedding and we certainly weren't expecting to have a celebrity there. We hadn't realised the cheese and ale festival was on the same day as our wedding but we're glad it was.

"It was a wonderful day and we definitely won't forget it. I don't think our guests will either."

Linda and new husband Stephen, 58, jetted off on their honeymoon to Tenerife after the wedding.

NATIONAL experts in regenerating historic buildings have been drafted in to consider the future of Stafford's Shire Hall.

The Prince's Regeneration Trust has been commissioned by Staffordshire County Council to assess possible future uses of the Grade II* listed building, which closed on Sunday and will remain so until future uses can be found for it.

The trust will also look at the benefits and risks of different approaches and how they might be funded.

The charity, founded by His Royal Highness the Prince of Wales, has worked on more than 90 projects in two decades, including the Middleport Pottery in Stoke-on-Trent which is used as the setting for BBC TV's Great Pottery Throw Down.

He said: "We have to look at how it can be opened as soon as possible. I have written to the RAF as I thought part of the building could be used to accommodate the reserve collection currently in a warehouse in Hopton.

"It is a big building which could potentially house a lot of activities."

The gallery based in Shire Hall opened for the last time on Sunday. Art exhibitions will now travel around the county. The multi-sensory environment room will be moved to a room at nearby Stafford Library and is due to reopen later this month.

The Prince's Regeneration Trust works with community groups, building owners and public bodies to create sustainable futures for cherished buildings. Previous projects include revitalising a hospital, public baths and a theatre in Blackpool's Winter Gardens.

Appendix P: Stage 2 Consultation: Press releases

Public consultation on strategic rail freight hub: a boost for the 'Midlands Engine'

Illustrative masterplan attached

People are being urged to have their say on plans for a new state-of-the-art strategic rail freight interchange in South Staffordshire which could create more than 8,500 new jobs.

The strategic West Midlands Interchange is being proposed for a 297-hectare site at Four Ashes, near to Junction 12 of the M6 and adjacent to the West Coast Main Line.

A public consultation starts today, Wednesday July 5 and will run until Wednesday August 30.

The scheme, unveiled by Four Ashes Ltd last year, will help make freight distribution more cost effective and productive in the West Midlands and supports both the 'Midlands Engine' and the Government's Modern Industrial Strategy, which together aim to help deliver a high-skilled, competitive economy that benefits people in the West Midlands and throughout the UK.

As well as helping attract more global business and investment, it will create more than 8,500 new direct jobs, boosting opportunities for people in South Staffordshire, the Black Country and other surrounding areas. It will also generate around £420m of local economic activity each year and, through the supply chain, create up to £1.35bn of economic activity nationally.

More than 300 people commented on initial plans for the interchange last year and their feedback has been taken into account in drawing up detailed plans. It is these plans that Four Ashes Ltd want people's views on this time around.

The project team will be on hand to talk to people, explain the scheme and show them maps and plans at a series of public exhibitions starting next week. These are:

- Tuesday 11 July: Calf Heath Village Hall, 3pm to 8pm
- Wednesday 12 July: **Brewood** Jubilee Hall, 2pm to 7pm
- Thursday 20 July: Haling Dene Centre, **Penkridge**, 3pm to 8pm
- Friday 21 July: Calf Heath Village Hall, 2pm to 7pm
- Saturday 22 July: Coven Memorial Hall, 10am to 2pm

Peter Frost of Four Ashes Ltd says that the views of the local community are essential to making sure the project delivers the best outcome for as many people as possible:

"Following our first round of consultation last year we have refined our plans. As well as creating community parks to give local people access to more green space, we are proposing a new through road that will be open to the public, and offers an alternative to the Gailey roundabout for traffic travelling between the A5 to the east and the A449 to the south. We are also inviting the local community to comment on the proposals for local job creation, training and enhancements to the canal area as part of the wider application.

"We believe the West Midlands Interchange could be truly transformative for the local economy as well as unlocking growth in the West Midlands as a whole."

Due to a shortfall of rail-served warehousing, the North Black Country and South Staffordshire has been identified as an area in need of a strategic rail freight interchange by the West Midlands

Regional Spatial Strategy Stage Two Study for a decade. Its role in boosting economic growth for the area is backed by the Black Country Local Enterprise Partnership. Access to the right road and rail links means the Four Ashes site is ideally located for a rail freight interchange in this part of the West Midlands.

From a national perspective, the West Midlands Interchange supports Government policy to create an expanded network of strategic rail freight interchanges. The policy aims to encourage more freight off motorways and trunk roads and onto rail, as rail freight distribution produces 70% less carbon and other noxious emissions than road freight.

The Four Ashes site is one of the few sites in the UK that can accommodate the transfer of larger freight containers between road and rail. This national significance means that the proposed West Midlands Interchange will need a special type of planning permission known as a Development Consent Order from the Secretary of State for Transport.

For more information about the West Midlands Interchange and all the details about the current stage of consultation visit www.westmidlandsinterchange.co.uk

Notes to editors

The West Midlands Interchange project is being developed by Four Ashes Ltd, a consortium led by Kilbride Holdings, a company specialising in rail infrastructure to serve business and industry. Kilbride Holdings is one of three partners in Four Ashes Ltd. The others are Grosvenor Group and Piers Monckton, who is the primary landowner.

The development will bring significant sustainable social and economic benefits to South Staffordshire, the Black Country and the wider region, through responsible design and by taking into account community interests and environmental considerations.

The West Midlands Interchange proposals are made up of:

- An intermodal freight terminal with direct connections to the West Coast Main Line, capable
 of accommodating around 10 trains per day and trains of up to 775m long, including
 container storage, Heavy Goods Vehicle ('HGV') parking, rail control building and staff
 facilities;
- Up to 743,200 square metres of rail-served warehousing and ancillary service buildings;
- New road infrastructure and works to the existing road infrastructure;
- Demolition of existing structures and earthworks to create development plots and landscape zones;
- Repositioning and burying of electricity pylons and cables; and
- Strategic landscaping and open space, including alterations to public rights of way and the creation of new ecological enhancement areas and publicly accessible open areas.

Public consultation on West Midlands Interchange proposals draws to a close

Four Ashes Limited, the developer behind the West Midlands Interchange, a proposed new Strategic Rail Freight Interchange in South Staffordshire, will close its public consultation this month.

Comments on the proposals can be made before midnight on Wednesday 30 August.

The interchange is being proposed on a 297-hectare site at Four Ashes, in South Staffordshire, near to Junction 12 of the M6 and adjacent to the West Coast Main Line.

Peter Frost, Managing Director of Four Ashes Limited said the consultation responses would help the team shape the final proposals before an application is submitted to the Planning Inspectorate later this year.

"The proposals will see major infrastructure investment in the area, creating up to 8,500 direct jobs. We believe the West Midlands Interchange could be truly transformative for the local economy as well as unlocking growth in the wider West Midlands region."

"Since launching our consultation on July 5, almost 1,000 people have attended our five exhibitions and we have had some useful feedback already. But to make sure the project delivers the best outcome for as many people as possible we need to make sure they have their say now."

Printed feedback forms can be requested by phone on 0800 377 7345 or are available to take away at three information points where copies of consultation documents can also be viewed:

- Brewood Library, Newport Street, Brewood, ST19 9DT
- Penkridge Library, Bellbrook, Penkridge, ST19 5DL
- South Staffordshire Council offices, Wolverhampton Road, Codsall, WV8 1PX

Please note that opening times may vary and check before making a special trip.

Completed feedback forms and letters can be sent postage free direct to the team in an envelope marked FREEPOST WMI or comments can be sent by email to contactus@communityrelations.co.uk

Alternatively, feedback on the proposals can be made online at www.westmidlandsinterchange.co.uk, where more information about the project can also be found.

Dear Sir or Madam

Proposals for a rail freight interchange (including warehousing and associated highway works) on land west of Junction 12 of the M6 motorway, immediately south of the A5 trunk road:

Stage 2a Focussed Consultation – changes to proposed Calf Heath Community Park

We are writing to consult you on some changes to our West Midlands Interchange proposals for a rail freight interchange (including warehousing and associated highway works) on land west of Junction 12 of the M6 motorway, immediately south of the A5 trunk road

Consultation

Four Ashes Limited has undertaken two previous consultations (one in mid-2016 (called the "Stage 1 Consultation") and the second in the summer of 2017 (being the statutory consultation and referred to as the "Stage 2 Consultation")).

This further focussed consultation (Stage 2a Consultation) is being undertaken in respect of specific changes since the previous consultation outlined later in this letter and as shown on the attached plan. You are receiving this letter because:

- a) you have an interest in land which may be affected by the change; or
- b) you are another stakeholder or person whom the applicant believes may wish to express a view on the change.

Registered Number: 09747871

Change to the proposed Calf Heath Community Park

As a result of the consideration of responses to previous consultations, we are proposing to increase the area of the Calf Heath Community Park, as shown on the enclosed plan. The increased area has the following advantages:

- It improves the connectivity and accessibility of the proposed Community Park by extending the boundaries and thus offers a more cohesive and connected park; and
- The additional land offers opportunities to enhance further the canal side environment and would be beneficial in landscape and visual terms.

The environmental impact of the additional land being incorporated into the Community Park are all anticipated to be beneficial and will be fully assessed in the environmental statement to be submitted with the application.

Draft documentation

Updated details of the illustrative masterplan including the change to Calf Heath Community Park are also available to view and download on our website (www.westmidlandsinterchange.co.uk) in the 'Document Library' and you will also find a link to the plans in the 'Latest' section on the home page.

Copies of the updated plans will also be made available at the following locations;

- 1. Brewood Library, Newport Street, Brewood, Stafford, ST19 9DT (Opening Times: Tuesday 9am to 1pm and 2pm to 7pm, Wednesday to Friday 9am to 1pm and 2pm to 5pm, Saturday 9.30am to 1pm).
- Penkridge Library, Bellbrook, Stafford, ST19 5DL (Opening Times: Monday 2pm to 6pm, Tuesday 2pm to 7pm, Wednesday 10am to 1pm, 2pm to 5pm, Thursday 2pm to 5.30pm, Friday 10am to 1pm, 2pm to 5pm, Saturday 9.30am to 1pm).
- 3. South Staffordshire Council, Wolverhampton Road, Codsall, WV8 1PX (Opening Times: Monday to Friday 8.45am to 5pm).

There remains on the project website draft documentation from the Stage 2 Consultation, should you wish to view that documentation.

Consultation responses

We welcome your feedback on the change as described above and shown on the enclosed plan by no later than **Tuesday 2 January 2018**.

Please could you respond using one of the following methods:

By post: FREEPOST WMI

By e-mail: contactus@communityrelations.co.uk

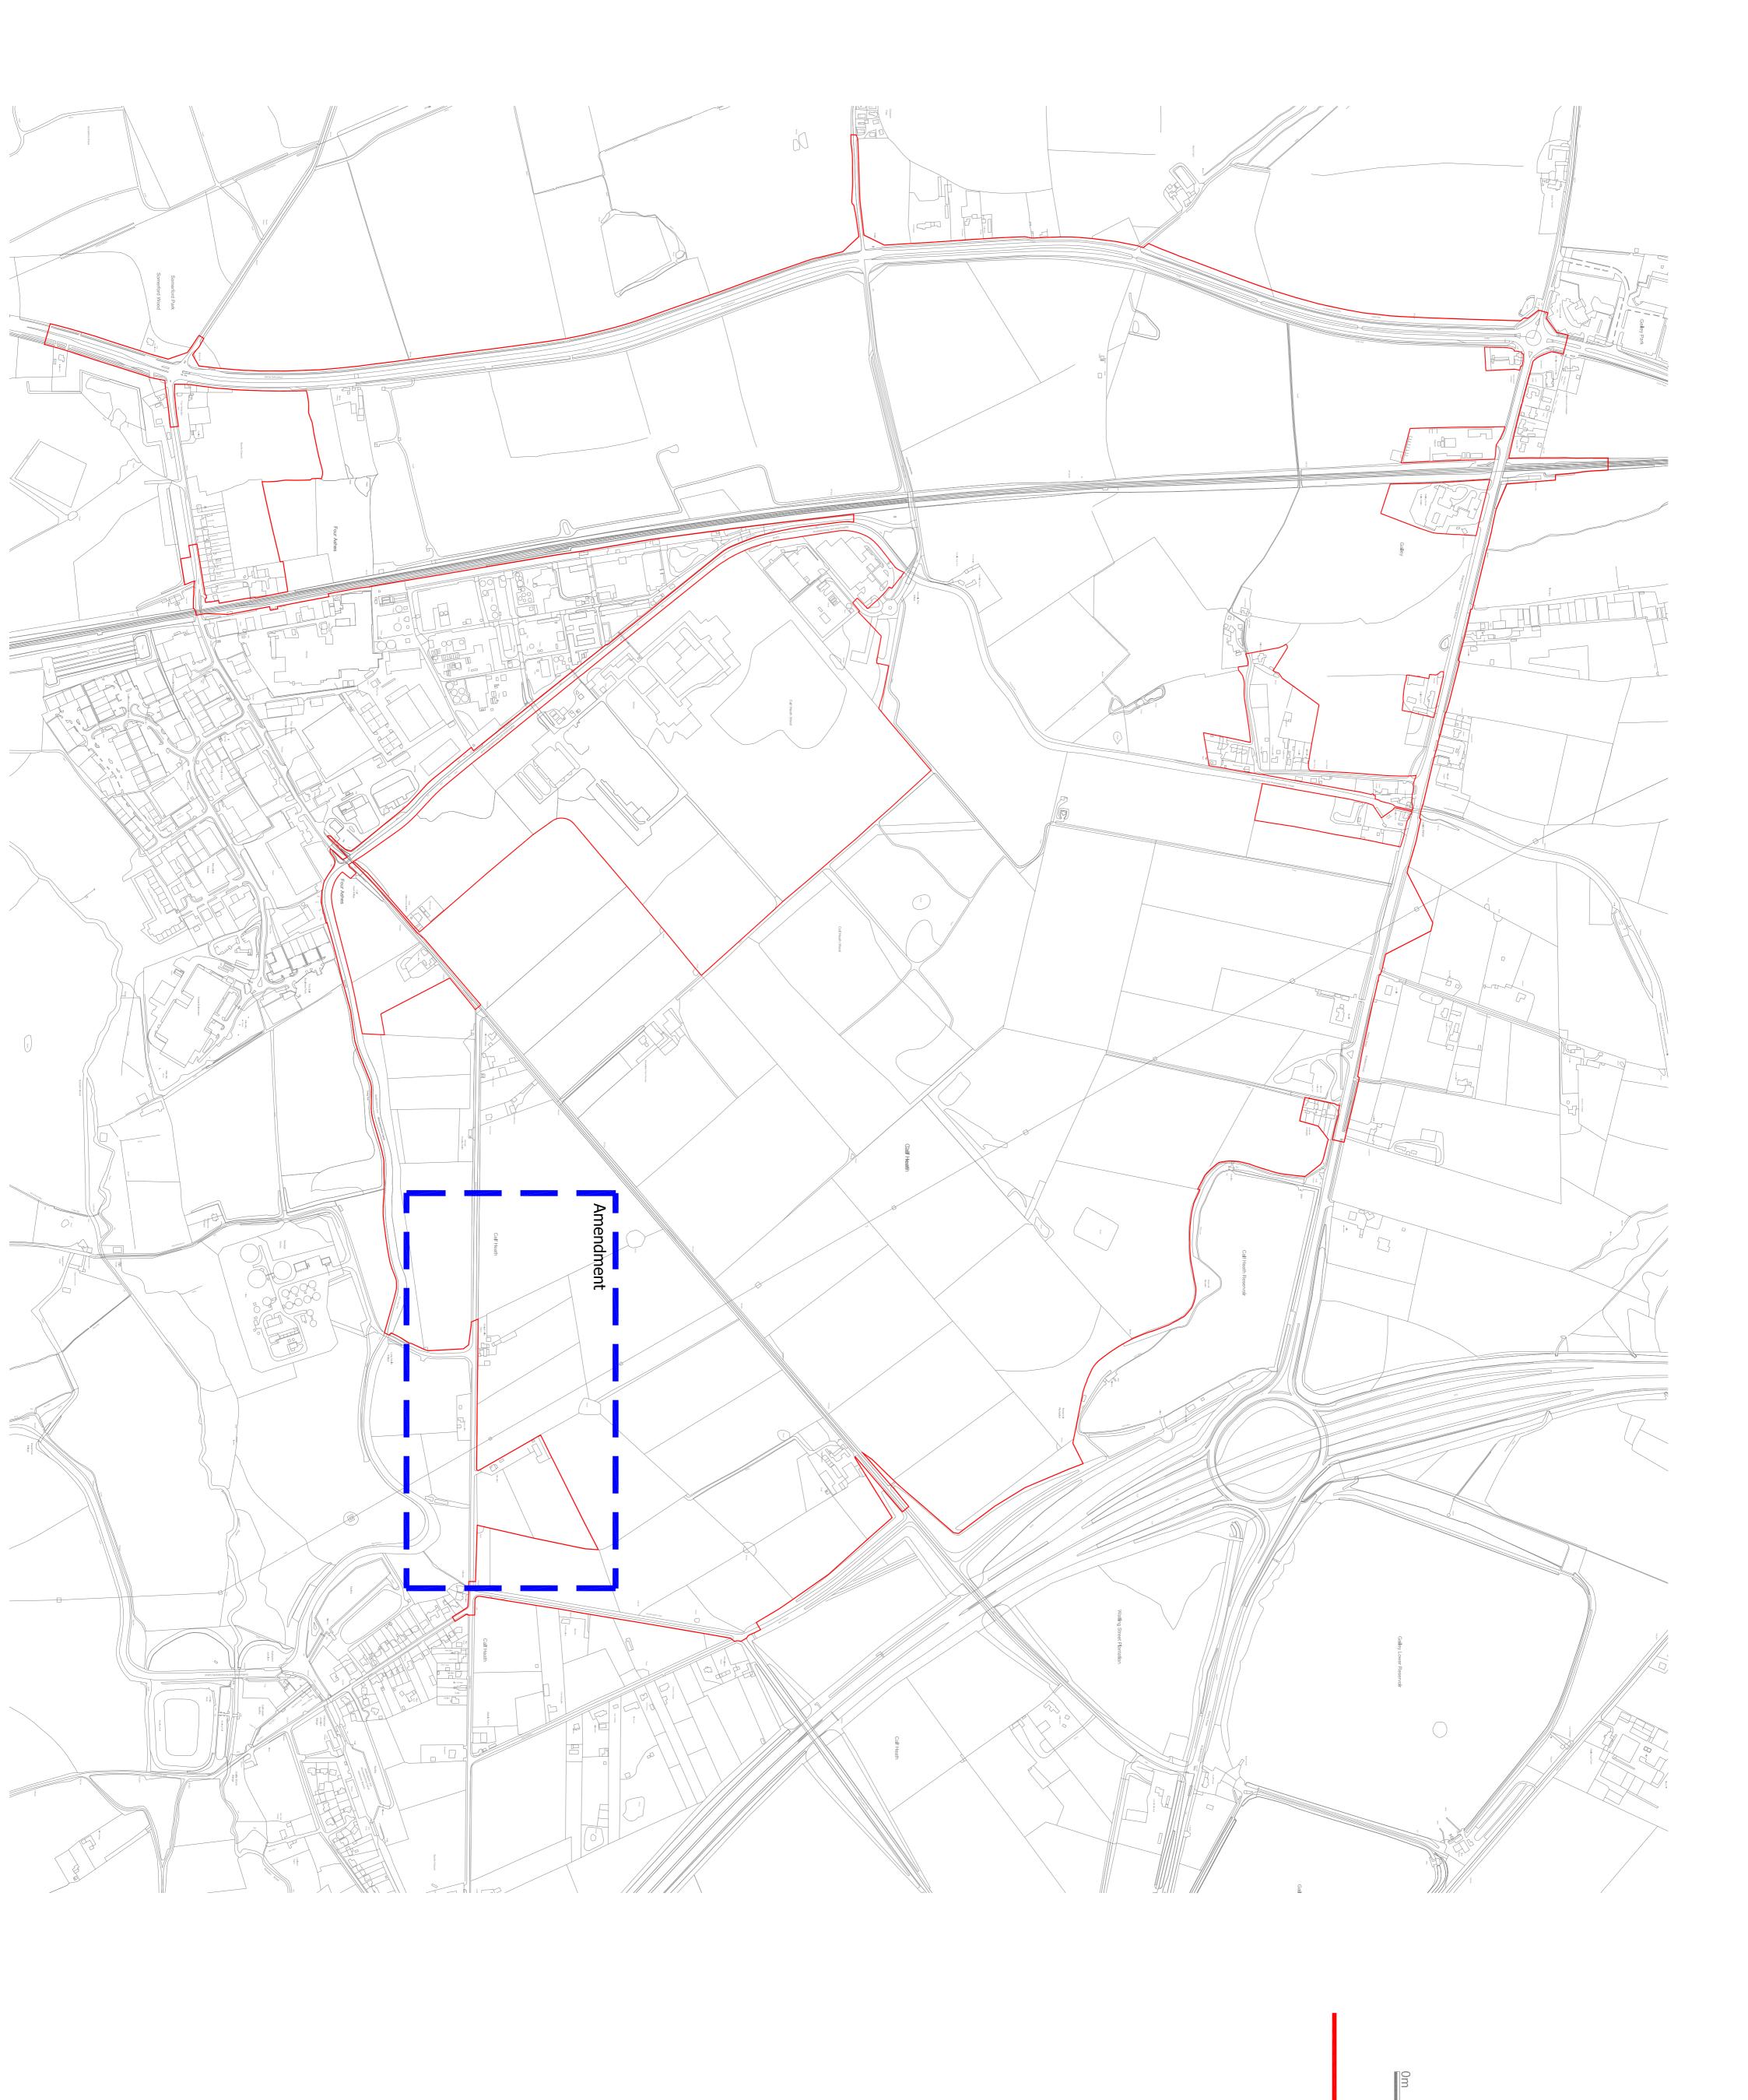

Our Consultation Report, to be submitted with the application, will set out how the feedback we receive has influenced the proposals.

Dear

23 November 2017

Proposals for a rail freight interchange (including warehousing and associated highway works) on land west of Junction 12 of the M6 motorway, immediately south of the A5 trunk road:

Stage 2a Focussed Consultation – changes to proposed Calf Heath Community Park and to proposed Order limits to the north of the A5 Trunk Road

We are writing to consult you on some changes to our West Midlands Interchange proposals for a rail freight interchange (including warehousing and associated highway works) on land west of Junction 12 of the M6 motorway, immediately south of the A5 trunk road.

Consultation

Four Ashes Limited has undertaken two previous consultations (one in mid-2016 (called the "Stage 1 Consultation") and the second in the summer of 2017 (being the statutory consultation and referred to as the "Stage 2 Consultation")).

This further focussed consultation (Stage 2a Consultation) is being undertaken in respect of specific changes since the previous consultation outlined later in this letter and as shown on the attached plans. You are receiving this letter because you are a statutory authority. The applicant has also written to those who have an interest in the land which might be affected and other stakeholders or persons whom the applicant believes may wish to express a view on the changes.

Changes:

Proposed Calf Heath Community Park

As a result of the consideration of responses to previous consultations, we are proposing to increase the area of the Calf Heath Community Park, as shown on the enclosed plan. The increased area has the following advantages:

- It improves the connectivity and accessibility of the proposed Community Park by extending the boundaries and thus offers a more cohesive and connected park; and
- The additional land offers opportunities to enhance further the canal side environment and would be beneficial in landscape and visual terms.

The environmental impact of the additional land being incorporated into the Community Park are all anticipated to be beneficial and will be fully assessed in the environmental statement to be submitted with the application.

Proposed Order limits to the north of the A5 Trunk Road

As a result of further discussions with the utility provider, it has been determined that additional land is required to the north of the A5 to facilitate the works necessary to achieve the undergrounding of the 132kv cables. The area concerned is the triangle of land identified on the enclosed plan and is required primarily for temporary works and access whilst the undergrounding works take place.

The exercise of undergrounding has been part of the proposals from the outset but only recently has the precise area of land required been identified. There are no additional environmental impacts of the scheme as a result of this change.

Draft documentation

Updated details of the illustrative masterplan including the change to Calf Heath Community Park and to the Order limits to the north of the A5 are also available to view and download on our website (www.westmidlandsinterchange.co.uk) in the 'Document Library' and you will also find a link to the plans in the 'Latest' section on the home page.

Copies of the updated plans will also be made available at the following locations;

- Brewood Library, Newport Street, Brewood, Stafford, ST19 9DT (Opening Times: Tuesday 9am to 1pm and 2pm to 7pm, Wednesday to Friday 9am to 1pm and 2pm to 5pm, Saturday 9.30am to 1pm).
- Penkridge Library, Bellbrook, Stafford, ST19 5DL (Opening Times: Monday 2pm to 6pm, Tuesday 2pm to 7pm, Wednesday 10am to 1pm, 2pm to 5pm, Thursday 2pm to 5.30pm, Friday 10am to 1pm, 2pm to 5pm, Saturday 9.30am to 1pm).

NOTICE TO PERSONS WITH UNKNOWN INTERESTS IN THE LAND AFFECTED BY PROPOSED DEVELOPMENT

Proposals for a rail freight interchange (including warehousing and associated highway works) on land west of Junction 12 of the M6 motorway, immediately south of the A5 trunk road:

Stage 2a Focussed Consultation – changes to proposed Order limits to the north of the A5 Trunk Road

The purpose of this notice is to consult those with an interest in the land shown tinted pink on the plan attached hereto on a change to the extent of land affected by proposals for a rail freight interchange (including warehousing and associated highway works) on land west of Junction 12 of the M6 motorway.

Change to the proposed Order limits to the north of the A5 Trunk Road

As a result of further discussions with the utility provider, it has been determined that additional land is required to the north of the A5 to facilitate the works necessary to achieve the undergrounding of the 132kv cables. The area concerned is the triangle of land identified on the plan with this notice and is required primarily for temporary works and access whilst the undergrounding works take place.

The exercise of undergrounding has been part of the proposals from the outset but only recently has the precise area of land required been identified. There are no additional environmental impacts of the scheme as a result of this change.

Dear Councillor,

Proposals for a rail freight interchange (including warehousing and associated highway works) on land west of Junction 12 of the M6 motorway, immediately south of the A5 trunk road:

Stage 2a Focussed Consultation – changes to proposed Calf Heath Community Park and to proposed Order limits to the north of the A5 Trunk Road

We are writing to consult you on some changes to our West Midlands Interchange proposals for a rail freight interchange (including warehousing and associated highway works) on land west of Junction 12 of the M6 motorway, immediately south of the A5 trunk road.

Consultation

Four Ashes Limited has undertaken two previous consultations (one in mid-2016 (called the "Stage 1 Consultation") and the second in the summer of 2017 (being the statutory consultation and referred to as the "Stage 2 Consultation")).

This further focussed consultation (Stage 2a Consultation) is being undertaken in respect of specific changes since the previous consultation outlined later in this letter and as shown on the attached plans. You are receiving this letter because you are a statutory authority. The applicant has also written to those who have an interest in the land which might be affected and other stakeholders or persons whom the applicant believes may wish to express a view on the changes.

Changes:

Proposed Calf Heath Community Park

As a result of the consideration of responses to previous consultations, we are proposing to increase the area of the Calf Heath Community Park, as shown on the enclosed plan. The increased area has the following advantages:

- It improves the connectivity and accessibility of the proposed Community Park by extending the boundaries and thus offers a more cohesive and connected park; and
- The additional land offers opportunities to enhance further the canal side environment and would be beneficial in landscape and visual terms.

Registered Number: 09747871

The environmental impact of the additional land being incorporated into the Community Park are all anticipated to be beneficial and will be fully assessed in the environmental statement to be submitted with the application.

Proposed Order limits to the north of the A5 Trunk Road

As a result of further discussions with the utility provider, it has been determined that additional land is required to the north of the A5 to facilitate the works necessary to achieve the undergrounding of the 132kv cables. The area concerned is the triangle of land identified on the enclosed plan and is required primarily for temporary works and access whilst the undergrounding works take place.

The exercise of undergrounding has been part of the proposals from the outset but only recently has the precise area of land required been identified. There are no additional environmental impacts of the scheme as a result of this change.

Draft documentation

Updated details of the illustrative masterplan including the change to Calf Heath Community Park and to the Order limits to the north of the A5 are also available to view and download on our website (www.westmidlandsinterchange.co.uk) in the 'Document Library' and you will also find a link to the plans in the 'Latest' section on the home page.

Copies of the updated plans will also be made available at the following locations;

- 1. Brewood Library, Newport Street, Brewood, Stafford, ST19 9DT (Opening Times: Tuesday 9am to 1pm and 2pm to 7pm, Wednesday to Friday 9am to 1pm and 2pm to 5pm, Saturday 9.30am to 1pm).
- Penkridge Library, Bellbrook, Stafford, ST19 5DL (Opening Times: Monday 2pm to 6pm, Tuesday 2pm to 7pm, Wednesday 10am to 1pm, 2pm to 5pm, Thursday 2pm to 5.30pm, Friday 10am to 1pm, 2pm to 5pm, Saturday 9.30am to 1pm).
- 3. South Staffordshire Council, Wolverhampton Road, Codsall, WV8 1PX (Opening Times: Monday to Friday 8.45am to 5pm).

There remains on the project website draft documentation from the Stage 2 Consultation, should you wish to view that documentation.

Consultation responses

We welcome your feedback on the change as described above and shown on the enclosed plan by no later than **Tuesday 2 January 2018**. Please could you respond using one of the following methods:
