Subject: Non-material change Northampton Gateway Rail Freight Interchange Order 2019 - S.I. 2019 No. 1358
Date: 24 August 2022 10:00:16

Further to the above application, which seeks a non-material amendment to Requirement 3 in Schedule 2 of the Development Control Order

This application cannot be considered to be non-material to the DCO, Requirement 3 is a formal requirement, which should be read as a *Condition of the Permission for Development*.
