Dear Sir/ Madam

TOWN AND COUNTRY PLANNING ACT 1990

Application No.:	25/01208/MISC
Applicant's Name:	SEGRO
Proposal:	Notice of application to make a non-material change to the following development consent order
Location:	Northampton Gateway Rail Freight Interchange

Cherwell District Council as a neighbouring authority wish to raise no comments or observations to the proposed amendments to the development as they are unlikely to cause any impacts on the local authority area.

We would query as to whether the proposed changes are truly a non-material amendment to the scheme and whether this is the appropriate mechanism to deal with the alterations.

Yours faithfully
