Subject: RE: Northampton Gateway Rail Freight Interchange - Non Material Change
Date: 07 August 2025 09:37:29

[REDACTED]

We note that the consultation period ended yesterday and we have been provided with a copy of West Northamptonshire Council's submission response. We note that the Council suggests in that response that updates to several management plans should be secured. The Applicant does not consider that any amendments to the DCO are required in this regard, since those matters are already secured by various DCO Requirements and therefore the submission of such plans where needed for the construction and operation of the remaining development is already secured.

We trust this is useful but please do not hesitate to contact us if we can be of further assistance to the determination of the application.

Kind regards
