Note of pre-application site visit

The site visit comprised a driving and walking tour of the site and surrounding area, commencing and ending at pHp Architects Office, Milton Masor.

Driving and walking route

All attendees travelled via car to view the site, taking opportunities where possible to view the site on foot.

The site visit commenced by travelling along Barn Lane which is not a through road. Attendees then drove east along Collingtree Road and stopped on High Street to walk up to and over the bridge over the M1 to view the site and site boundary.

Attendees then drove from High Street to M1 Junction 15 via A45, continuing south on the A508. Attendees stopped at Rectory Farm and then walked to the western site boundary and footbridge over the railway line and then to the southern end of Highgate wood before returning to the car.

Attendees headed south along the A508 to Roade, travelling through the village taking opportunities to stop to view the routes of the proposed bypass. Attendees drove along Hyde Road/Blisworth Road, taking the opportunity to view the site from the public footpath before returning through Roade on the A508 to view the other end of the bypass routes from the road.

Attendees headed back to Milton Masor along Courteenhall Road stopping at the playing fields to view the site from the public footpath before returning to pHp Architect offices.
