***Note 1:** The Maximum Total Floor Space Zones A & B is the maximum floor space (excluding mezzanine space) that will be developed across Zones A & B, notwithstanding that the maximum floor space stated for each Zone A1 to A5 & Zone B combined would exceed this figure i.e. it is the overall floor space cap for Zones A & B as a whole, excluding mezzanine floor space. In addition to this total floor space figure, up to 201,283 sqm of floor space can be provided in the form of mezzanine floor space to units within Zones A and B.

****Note 2:** Between any two consecutive spot heights marked on the ridge, the height of the bund, at its ridge, will be no lower than the lower of the two spot heights and no higher than the higher of the two spot heights +/- 300mm
