

Adequacy of Consultation Representation Proforma

Under *Section 55(4)(b) of the Planning Act 2008 (PA2008)* the Planning Inspectorate, on behalf of the Secretary of State, must take any adequacy of consultation representation (AoCR) received from a local authority consultee into account when deciding whether to accept an application for development consent, and this will be published should the application be accepted for examination.

An AoCR is defined in s55(5) in PA2008 as “a representation about whether the applicant complied, in relation to that proposed application, with the applicant’s duties under sections 42, 47 and 48”.

Project name	Oxfordshire Strategic Rail Freight Interchange project
Date of request	8 April 2026
Deadline for AOCR	22 April 2026
Return to	OxfordshireSRFI@planninginspectorate.gov.uk

Please complete the proforma outlining your AoCR on the above NSIP.

Local Authority	Warwickshire County Council
------------------------	-----------------------------

In the opinion of the local authority, has the applicant complied with the legislative requirements listed below?

Please note that this is specifically about the statutory consultation(s) undertaken.

Assessment of Compliance - Required	
S42 Duty to consult	Yes / No
S47 Duty to consult local authority	Yes / No
S48 Duty to publicise	Yes / No

If you would like to give more detail on any of the above, please do so below.

Please keep it as succinct as possible and refer to facts and evidence related to consultation, rather than the merits of the application.

Additional comments - <i>Not compulsory</i>	
S42 Duty to consult	The Consultation Report confirms that Warwickshire County Council was identified as a category D consultee throughout the consultation process and the planningstrategy@warwickshire.gov.uk email was identified, but no consultation emails were received from the applicant.
S47 Duty to consult local authority	
S48 Duty to publicise	The applicant has acknowledged a breach of the requirement to publish notices in local newspapers for two consecutive weeks but considers that other consultation methods mean that no prejudice has been caused to the consultation process. As publication of notices in Warwickshire was not required, Warwickshire County Council notes that this does not directly affect its interests.
