Request to speak at issue specific hearing 2 (ISH2) on 30 September 2026

I hereby request to be heard orally at the issue specific hearing 2 (ISH2) on 30 September 2026 as part of agenda item 2, "Discussion on matters identified in the IAPI and possible other environmental matters".

In my presentation, I wish to comment orally on:

- Site contamination (PFAS)
- Site archaeology (dinosaur tracks)
- The OxSRFI project's over-reliance of diesel-powered infrastructure, and its lack of zero-emissions infrastructure.
- The loss of local recreational amenity which would be caused by the OxSRFI proposal.
- The environmental downsides of the grossly excessive warehouse provision being proposed by the Applicant.

I intend to attend the hearing in person.
