1 Introduction

- 1.1.1 This Book of Reference ('BoR') has been prepared on behalf of Southern Water Services Limited (hereafter referred to as 'the Applicant') and forms part of the Application to the Secretary of State under the Planning Act 2008 ('PA 2008') for a Development Consent Order ('DCO') for the Hampshire Water Transfer and Water Recycling Project, otherwise referred to as the 'Project'.
- 1.1.2 The Project comprises the construction, operation and maintenance of the following components:
- Water Recycling Plant and associated pumping stations.
 - Pipelines between Budds Farm Wastewater Treatment Works and the Water Recycling Plant site.
 - Pipelines between the Water Recycling Plant site and Bedhampton Springs, connecting to pipelines being delivered by Portsmouth Water between Bedhampton Springs and Havant Thicket Reservoir.
 - Pipeline between the Water Recycling Plant site and Otterbourne Water Supply Works.
 - Above Ground Plant comprising Intermediate Pumping Stations and Break Pressure Tanks located along the Pipeline between the Water Recycling Plant site and Otterbourne Water Supply Works.
- 1.1.3 The Project would also comprise the use of the following infrastructure:
- Havant Thicket Reservoir (which has been consented separately by Portsmouth Water and is currently under construction) for the storage of recycled water.
 - The existing Eastney Long Sea Outfall, Eastney Pumping Station, and associated Eastney Transfer Tunnel for the release of reject water from the WRP site.
 - Pipelines and other related works (which have been consented separately by Portsmouth Water) for the transfer of recycled water and source water between Bedhampton Springs and Havant Thicket Reservoir.
- 1.1.4 The construction and operation of the Project would be supported by other temporary and permanent works.
- 1.1.5 The Project will require the demolition, disassembly and/or temporary relocation of a number of small structures.
- 1.1.6 A detailed description of the Project can be found in ES Chapter 3 Description of the Proposed Development, Volume I (Document reference 6.1, DCO Volume 6). The Application Glossary (Document reference 1.7, DCO Volume 1) sets out the abbreviations and definitions used in the DCO application for the Project.
- 1.1.7 This BoR should be read alongside the following Application documents:
- draft Development Consent Order (Document Reference 3.1, DCO Volume 3)

- Explanatory Memorandum to Draft DCO (Document Reference 3.2, DCO Volume 3)
- Land Plans (Document Reference 2.2, DCO Volume 2)
- Crown Land Plans (Document Reference 2.5, DCO Volume 2)
- Special Category Land Plans (Document Reference 2.6, DCO Volume 2)
- Work Plans (Document Reference 2.3, DCO Volume 2)
- Statement of Reasons (Document Reference 4.1, DCO Volume 4)

2 Purpose of Document

- 2.1.1 Section 122 of the PA 2008 allows development consent orders to include powers to compulsorily acquire land, interests in land, and rights over land. The draft DCO (Document Reference 3.1, DCO Volume 3) seeks powers to compulsorily acquire land, and to acquire both new and existing rights over land and impose restrictions. It also includes powers to override or suspend existing easements and other rights, and to extinguish private rights in land that is subject to compulsory acquisition. The draft DCO (Document Reference 3.1, DCO Volume 3) also seeks powers to take temporary possession of land and rights to use land. These powers are required to enable the construction, operation and maintenance of the Project.
- 2.1.2 The purpose of this BoR is to describe the land within ‘the Order Limits’ (as shown on the Land Plans (Document Reference 2.2, DCO Volume 2) which includes land subject to compulsory acquisition and temporary possession powers pursuant to the draft DCO (Document Reference 3.1, DCO Volume 3). The BoR also provides details of persons with an interest within the Order Limits and any persons who may be able to make a relevant claim. This BoR has been prepared in accordance with the requirements of Regulation 5(2)(d) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (‘APFP Regulations’).
- 2.1.3 The land within the Order Limits is required to deliver the authorised development, as described in detail in Schedule 1 of the draft DCO (Document Reference 3.1, DCO Volume 3) and shown on the Works Plans (Document Reference 2.3, DCO Volume 2).
- 2.1.4 Every parcel of the Order Limits is identified on a plot-by-plot basis and a unique number has been ascribed to each plot. The plots are shown on the Land Plans (Document Reference 2.2, DCO Volume 2), the Crown Land Plans (Document Reference 2.5, DCO Volume 2) and the Special Category Land Plans (Document Reference 2.6, DCO Volume 2) which are submitted with the Application.
- 2.1.5 The BoR provides the area in square metres of each plot within the Order Limits. Each measurement is rounded up to the nearest whole square metre.
- 2.1.6 Each plot is coloured on the Land Plans (Document Reference 2.2, DCO Volume 2). The colour of the plot indicates the purpose for which the land in that plot is required:
- Pink: Freehold to be compulsorily acquired and temporary use of land and in relation to which it is proposed to extinguish easements, servitudes and other private rights;
 - Blue: New rights (including restrictions) to be compulsorily acquired and temporary use of land and in relation to which it is proposed to suspend or extinguish easements, servitudes and other private rights;
 - Yellow: Temporary use of land and in relation to which it is proposed to temporarily suspend easements, servitudes and other private rights; and
 - Grey: Land over which no compulsory acquisition or temporary use powers are being sought.

-
- 2.1.7 By virtue of Article 37 (Temporary use of land for maintaining the authorised development) of the draft DCO (Document Reference 3.1, DCO Volume 3), any land within the Order Limits which is reasonably required for the purpose of maintaining the Project may be entered and/or temporarily possessed.
- 2.1.8 This BoR is comprised of five Parts, in accordance with Regulation 7(1) of the APFP Regulations as detailed in Section 3.

3 Structure of the Document

3.1 Part 1 of the Book of Reference

3.1.1 Regulation 7(1)(a) of the APFP Regulations states:

“Part 1 contains the names and addresses for service of each person within Categories 1 and 2 as set out in section 57 (categories for purposes of section 56(2)(d)) in respect of any land which it is proposed shall be subject to –

- *powers of compulsory acquisition;*
- *rights to use land, including the right to attach brackets or other equipment to buildings; or*
- *rights to carry out protective works to buildings.”*

3.1.2 Part 1 of this BoR contains the names and addresses of each person identified by the Applicant after making diligent inquiries as being within Categories 1 and 2, as set out in section 57 of the PA 2008, alongside the area of each plot within the Order Limits.

3.1.3 A person is within Category 1 if they are an owner, lessee, tenant or occupier of the land.

3.1.4 A person is within Category 2 if they hold an interest in the land or have the power to sell, convey or release the land.

3.2 Part 2 of the Book of Reference

3.2.1 Regulation 7(1)(b) of the APFP Regulations states:

“Part 2 contained the names and addresses for service of each person within Category 3 as set out in section 57.”

3.2.2 Part 2 of this BoR contains the names and addresses of each person identified by the Applicant after making diligent inquiry who it is considered would or might be able to make a ‘relevant claim’ (being a claim under section 10 of the Compulsory Purchase Act 1965 and / or under Part 1 of the Land Compensation Act 1973 and / or under section 152(3) of the PA 2008) as a result of the implementation of the Order, as a result of the Order having been implemented or as a result of the use of the land once the Order had been implemented.

3.2.3 It is considered that Category 3 contains parties with legal rights or interests over the land within the Order Limits. Category 3 also contains persons with interests in land outside the Order Limits who, it is considered, might be able to make a relevant claim (as defined above). Certain relevant persons included within Part 1 of the BoR have also been included within Part 2 where their rights may be affected.

3.3 Part 3 of the Book of Reference

3.3.1 Regulation 7(1)(c) of the APFP Regulations states:

“Part 3 contains the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed shall be extinguished, suspended or interfered with;”

3.3.2 Part 3 of this BoR contains the names and addresses of each person identified by the Applicant after making diligent inquiry as having easements or other private rights over land which it is proposed shall be extinguished, suspended or interfered with in connection with the proposed development, pursuant to the draft DCO.

3.3.3 Category 2 persons included within Part 1 of this BoR have also been included in Part 3 where their rights may be affected. Examples include statutory undertakers with services in or under the Order Limits, and whose rights over the Order Limits are likely to be affected whether the relevant plot is required permanently or temporarily.

3.4 Part 4 of the Book of Reference

3.4.1 Regulation 7(1)(d) of the APFP Regulations states:

“Part 4 specifies the owner of any Crown interest in the land which is proposed to be used for the purposes of the order for which application is being made.”

3.4.2 Where Crown interests in the Order Limits have been identified, these are listed in Part 4 and the relevant plots shown on the Crown Land Plan (Document Reference 2.5, DCO Volume 2).

3.5 Part 5 of the Book of Reference

3.5.1 Regulation 7(1)(e) of the APFP Regulations states:

“Part 5 specifies land that:

- *the acquisition of which is subject to special parliamentary procedure*
- *which is special category land*
- *which is replacement land”*

3.5.2 The location of any land which is special category land (as defined in the APFP Regulations) to be used either permanently or temporarily is shown in the Special Category Land Plan (Document Reference 2.6, DCO Volume 2).

4 Categories of New Rights and Restrictive Covenants

- 4.1.1 Article 29 (Compulsory acquisition of rights and restrictive covenants) and Schedule 5 (Land in which only new rights etc. may be acquired) of the draft DCO (Document Reference 3.1, DCO Volume 3) authorises the compulsory acquisition of new rights over land, with Schedule 5 describing the new rights and restrictions sought by the Applicant.
- 4.1.2 In Table 1 the terms used shall have the meaning given to those terms within the draft DCO (Document Reference 3.1, DCO Volume 3).
