Preliminary Meeting/Examination of Matter ref. WA010002 on 11th November
"Hampshire Water Transfer and Water Recycling Project

From Havant Climate Alliance
Registration identification number: [redacted]

I am writing to confirm that we support the views sent to you Havant Friends of the Earth IPR Number [redacted] and Patricia Brooks who will be speaking at the preliminary meeting on 11th November to support our concerns that the huge energy consumption and the climate impacts of the proposed project and not being considered as Principal Issues

We also support the written submission sent in by Tracey Viney on behalf of the Water Matters Community for the hearings and also the verbal presentations being made by Water Matters and SOSCA speakers as well as Chris Stanley for Rowlands Castle Parish council and Beth Hawdon.

Yours sincerely
