The conclusions in the report are the STP's professional opinion, as of the time of the Report, and concerning the scope described in the Report. The opinions in the document are based on conditions, assumptions and information existing at the time the scope of work was conducted and do not take into account any subsequent changes. The Report relates solely to the specific project for which the STP was retained and the stated purpose for which the Report was prepared. The Report is not to be used or relied on for any variation or extension of the project, or for any other project or purpose, and any unauthorized use or reliance is at the recipient's own risk.

The conclusions in the report are the STP's professional opinion, as of the time of the Report, and concerning the scope described in the Report. The opinions in the document are based on conditions, assumptions and information existing at the time the scope of work was conducted and do not take into account any subsequent changes. The Report relates solely to the specific project for which the STP was retained and the stated purpose for which the Report was prepared. The Report is not to be used or relied on for any variation or extension of the project, or for any other project or purpose, and any unauthorized use or reliance is at the recipient's own risk.
